The North Star Boys' Cross Country coaching staff will conduct an organized training program for all interested athletes who will be in grades 7-12. For new and younger runners the goal of the camp is to introduce the principles and practices of high-quality training. For experienced runners the goals are to build a solid running foundation in preparation for the upcoming season.

Give cross country a try! In addition to the high school coaching staff, we hire several other coaches (usually collegiate athletes) and create training groups to meet the needs of all athletes- from those who have never seriously run before all the way up to those who are training to be state-level athletes.

We meet five days per week. The cross country camp is Mondays, Wednesdays, and Fridays and you are automatically enrolled in a bonus track and field camp on Tuesdays and Thursdays. This manner of organization allows us to comply with IHSA rules that limit contact days during the summer.

We will meet in a variety of locations as will be distributed on the first day of the camp. On the first day we will meet on the track at St. Charles North. Quality running shoes are highly recommended.

High School campers who meet mileage and time baselines are also welcome to attend the annual 5 day training/camping trip to Devil's Lake State Park and the Wisconsin Dells for an additional fee.
