Corron Elementary to host Family Math Carnival

(St. Charles, IL) (March 1, 2018) – Corron Elementary School is hosting their first pre-kindergarten-5th grade Family Math Carnival on Monday, March 5, from 6:00-7:15 p.m. Corron Elementary is located at 455 Thornwood Way in St. Charles.

The teacher-led carnival will showcase the District’s Eureka Math program. Each station at the carnival will be tied to Common Core math standards such as math in reading and technology, coding, number line practice, music, art and physical education.

Parents will have the unique opportunity to be involved in students’ math education through real-world math activities that can be practiced routinely with their children. There will also be math treats and raffles.
