To report an absence please call the Summer Camp office at (331) 228-6900

Note: CUSD 303 expects parents/guardians to call the Summer Camp office within the first hour EACH day a student is absent from Summer Camp.

Drop off/pick up information:

Please drop your child off in front of the building at the main entrance. Supervisors will assist with traffic flow prior to the start of each program. *All camp participants should report to the cafeteria upon arrival with the exception of Kindergarten Readiness. These students will line up in the main hallway every day.*

Bus Pick-Up and Drop-Off: There will be district buses in the parking lot for pick up at each of these schools: Bell-Graham - 8:10, Wasco - 8:15, Ferson Creek - 8:20. Those students will then be dropped off after camp at their schools between 11:40-11:50 am. Please have your camper at the designated drop off several minutes prior to the pickup time. Be sure to sign the Permission for Bus Transportation on page six of the brochure. Please remember that there will not be supervision at the bus stops. Additionally, there is no bus transportation available after Coyote Club if your child is staying for the afternoon.

Camp Corron Course Offerings

After reviewing the courses below, please mark your selections on page four. Each class runs for eighty minutes with a 20 minute snack and movement break between 8:30am-11:30am; participants are grouped by grade level. This is three hours of learning fun!

Soccer, Basketball & Outdoor Games

In this class, kids will practice the skills to become better team players. Participants will have fun playing kickball, volleyball, soccer, basketball, participating in relay games, and more.

Kitchen Creators

We will be planning, preparing and EATING delicious snacks and meals as well as learning more about kitchen safety and the benefits of eating healthy! ****Cannot guarantee nut-free products****

Math Enrichment

Looking for a fun and exciting way to reinforce your child's math skills? This program will have your child engaging in meaningful problem-solving and computation activities.

Art, Art, Art

Participants will have the opportunity to create with a variety of art media. Participants will sketch, draw, paint, sculpt and design fun pieces of artwork!

MakerSpace

Come create, innovate, tinker and code in our summer camp MakerSpace. Participants will work with high-tech to no-tech tools on projects that utilize technology, engineering and art. Learn how to code robots, create a digital story, participate in engineering challenges and more!

Reading Enrichment

This class will emphasize and review basic literacy skills. The children will be actively engaged in enriching and expanding their listening, writing, and reading skills.

Science Explorer

Participants will be studying the natural, physical, and chemical world around us. They will participate in hands-on experiments and discussions about the process of scientific learning with tons of fun!

***Kindergarten Learning**

This class, only for students entering kindergarten in the fall, will focus on building early learning skills with an emphasis on phonemic awareness, early literacy skills and building math concepts and awareness.

** Pre-K Students enroll ONLY in kindergarten class for three hours*
