Wasco Girls Fastpitch Softball/Wasco Silver Hawks Registration Starts January 1st!

Wasco Girls Fastpitch Softball/Wasco Silver Hawks registration for the 2018 Spring/Summer season begins January 1st. WGFSL is the premier recreational softball league celebrating our 30th year. Registration is open to all girls' grades kindergarten through 12th grade (HS players begin their season after their school has finished playing). Fees are the same regardless of where you live - no "out-of-district" fees. Players develop their skills and compete with the emphasis on FUN! Games are played in the evenings and some Saturdays in NW St. Charles. Practices start in April and conclude late June/early July with tournaments. Players may register on-line at http://www.wascofastpitch.com. Spring clinics and camps which include pitching, catching, hitting and skills are offered April 8th and 15th. We also have Fall Ball!

In addition to our in-house rec league, we also have the Wasco Warriors/Silver Hawks All Stars. The Warriors not only participate in the in-house season but also in several area tournaments (approx. 40 games) without the year 'round commitment while gaining great experience for the more advanced player. Open tryouts are January 27th. Visit our website for more information at www.wascofastpitch.com.

NEW THIS YEAR – We have partnered with the STC Silver Hawks and Dennison Silver Hawks to offer a precise softball path for you and your player. Whether a player wants to play rec softball from 8U through HS, allowing time for other activities or try out for our light travel Warriors/Silver Hawks All-Stars, with an abbreviated travel schedule or our STC Silver Hawks (A/B Travel Teams) or maybe even the Dennison Silver Hawks (College Exposure A Teams), You choose what works for you and your family. **Everything is right here!**

So join the oldest, largest and most respected softball organization around!
