St. Charles School District High School students hold food packing event for Feed My Starving Children

November 3, 2017 - St. Charles, IL – Over 550 volunteers from both St. Charles East and St. Charles North High Schools are packing meals during *Make a Difference in St. Charles*, a Feed My Starving Children Mobile Packing Event. The event will take place at Aquascape, Inc., 901 Aqualand Way, St. Charles IL 60174 on Sunday, November 5 from 8:00 a.m. to 9:00 p.m.

Students from both high schools have worked tirelessly over the course of the last several months to raise \$27,000 that will enable them to pack 120,000 meals on the day of the event. Much of the funding has come from the generosity of St. Charles businesses and community members.

Feed my Starving Children is a non-profit organization, founded in 1987, that tackles world hunger by sending volunteer-packed, nutritious meals to 70 countries. They also operate orphanages, schools, clinics and feeding programs to break the cycle of poverty. The Minnesota-based charity spends more than 90% of total donations directly on feeding the hungry and has earned the highest four-star rating from Charity Navigator for 11 consecutive years.
