Or go to www.d303.org and click on the **FOR PARENTS** option and then **HOME ACCESS CENTER (HAC)** and click the **Begin Using HAC** icon on this page

**You can also find directions on this page if needed

At the bottom of the page click the **CLICK HERE TO REGISTER FOR HAC** link

Login

District #303 is pleased to provide secure, online access to your student's information.

You will register using your own information, not your student's. Please abbreviate the city as St Charles, S Elgin or W Chicago.

Parents should have 1 login to see all of their CUSD #303 students.

Parents can now change their phone numbers and email address on HAC in the Registration area. You can only change your own information and your student's information. You cannot change the information regarding emergency contacts however, as they could be linked to other students in the district.

Please contact your teacher directly whenever you have specific questions or concerns relative to classroom performance.

If you forgot your username or password, please contact your school's main office.

Please enter your account information for Home Access Center.
