

## **HAC – links to other programs**

You can get to other programs or websites by going to the **HOME** button, then clicking the **SCHOOL LINKS** tab.

Here you can go to Blackboard, PTC Wizard – the online Parent-Teacher Conference sign-up tool, the District 303 website, your school website or Naviance (at the high schools) or other assorted links we have provided for you.

The screenshot shows a navigation bar with five icons: Home (house), Attendance (calendar), Classes (book), Grades (A+), and Registration (notepad). Below the icons is a blue tabbed menu with three tabs: "Week View", "Calendar", and "School Links". The "School Links" tab is active. Below the menu is a list of links:

- [Blackboard](#)
- [PTC Wizard/Parent-Teacher Conferences Sign-up](#)
- [District #303 website](#)
- [North High School website](#)
- [Naviance](#)
