SUMMER SCHOOL DISCIPLINE AGREEMENT

In order to promote a safe and respectful learning environment, we have highlighted the following policies from the District 303 Discipline Policy. The guidelines of that entire policy are in effect during Summer School and students are expected to behave in a manner that contributes to a safe environment conducive to learning as outlined in that policy. Students and parents understand the following:

General Behavior Expectation

We understand that students are expected to conduct themselves in a manner that is consistent with the vision, goals, and beliefs of Community Unit School District 303.

Dress Code/Grooming

We have read and agree to abide by the dress code set forth in the District 303 Student Handbook which includes the following: Student dress and grooming must not disrupt the educational process, interfere with the maintenance of a positive teaching/learning climate, or compromise reasonable standards of health, safety, and decency at school. "Clothing" includes what you are wearing as well as accessories such as rings, earrings, necklaces, purses, backpacks, chains, and shoes. Refer to the student handbook for specifics regarding clothing which is prohibited.

The only modification to the District 303 Discipline Policy is the following:

Attendance Regulations

We have read and agree to abide by the attendance regulations set forth during Summer School. We understand the importance of being present and on time for class. Absences must be prearranged with both your behind-the-wheel and classroom instructors. In the case of an emergency or illness, your parents must call St. Charles North School at (331) 228-6268 and leave a message for both instructors as soon as possible.

If a student will miss more than two days, please DO NOT register for the Summer School Driver Education Program.

Classroom and behind-the-wheel students are allowed only two absences due to the number of hours required by the State of Illinois. Any absences must be excused and your parents must make arrangements by telephone and/or in writing with the student's instructor(s) prior to the dates that the student will be gone. All missed lessons must be made up. Time for make-ups during the summer program is usually very difficult to arrange due to the number of students in the program. If time is not available for make-ups, students may not meet the state requirements for the course and will not pass. If more than two absences occur, it will result in an automatic drop from the course with a failing grade, no refund of fees and loss of the student's instruction permit.

We agree to abide by the District 303 Discipline Policy and have read the policies set forth in this brochure.
