

As we approach our February 4th registration kickoff, we wanted to share some important updates regarding our upcoming season. We are excited to share some specific actions that we are taking this season.

**Reduced Registrations Costs for Both Football and Cheer.** Our Board of Directors is working very hard to negotiate stronger contracts, increase sponsorships, and manage our expenses...all while simultaneously bringing a much greater value to you.

**Significantly Enhanced In-House Program.** TCC is exploring numerous options to improve competitiveness, the number of teams participating, as well as a return to the traditional 11 on 11 off format. Also new sublimated jerseys will be introduced. More information will follow as we work through the final details, but we are quite confident that you will share our excitement.

**Safety-First Commitment.** As we have always been committed to providing the finest equipment available, we will be purchasing safety mats for all levels of the cheer program. We will continue only purchasing 5-star rated helmets and having them inspected and recertified by the manufacturer every year, far exceeding any requirements.

**New Look and Logo.** You will begin to see a new look and logo phased in for TCC. Though it will begin on simple things like our fliers and website, as we begin to purchase new jerseys and equipment, we feel the kids will be quite excited with the look of the new gear!

Once again, we appreciate the opportunity to instill the unique values that youth football and cheer impart in our children and next generation of leaders. We remain committed in this mission and look forward to your continued partnership and support.
