### **Enrollment Lottery Update:**

A proposal regarding elementary boundaries was presented to the School Board on January 18. This proposal includes the closing and re-purposing of Fox Ridge Elementary school as an early childhood center. The Board was expected to take action on this proposal at their February 12 meeting.

At its special meeting on January 30, members of the School Board directed the administration to provide additional information about the feasibility of closing Lincoln Elementary School and re-purposing Fox Ridge as an early childhood center, along with changing elementary school boundaries, *therefore no action will be taken on the original proposal on February 12.*

District Administration will present its findings at a special School Board meeting on February 20 at 6:30 p.m. in the cafeteria at Wredling Middle School. Information about when the School Board may vote on a proposal will be posted as it becomes available. Early Childhood will post information regarding the Community Preschool enrollment lottery after that date. Please check our district website for details.
