ILLINOIS
SCHOOL
REPORT
CARD

GRADES : PK K 1 2 3 4 5

State and federal laws require public school districts to release report cards to the public each year.

Starting in 2009, charter school information is included in district statistics.

STUDENTS

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION

	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Multi racial /Ethnic	Percent Low- Income	Percent Limited- English- Proficient	Percent IEP	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
School	66.7	1.4	20.6	5.1	0.6	5.7	19.2	11.9	18.2		0.0	5.6	94.0	495
District	83.1	1.3	7.4	4.7	0.4	3.1	8.9	3.7	11.5		0.2	6.9	95.0	13,860
State	52.8	18.8	21.1	4.2	0.2	2.9	45.4	7.6	13.1		3.6	13.0	93.9	2,064,312

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

IEP Students are those students eligible to receive special education services.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

INSTRUCTIONAL SETTING

PARENTAL CONTACT*		STUDENT-TO-STAFF RATIOS			
	Percent	Pupil- Teacher Elementary	Pupil- Teacher Secondary	Pupil- Certified Staff	Pupil- Administrator
School	99.8	--	--	--	--
District	98.1	18.1	17.0	13.2	264.4

OTHER FINANCIAL INDICATORS				
	2007 Equalized Assessed Valuation per Pupil	2007 Total School Tax Rate per \$100	2008-09 Instructional Expenditure per Pupil	2008-09 Operating Expenditure per Pupil
District	\$265,167	4.21	\$6,131	\$11,426
State	**	**	\$6,483	\$11,197

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

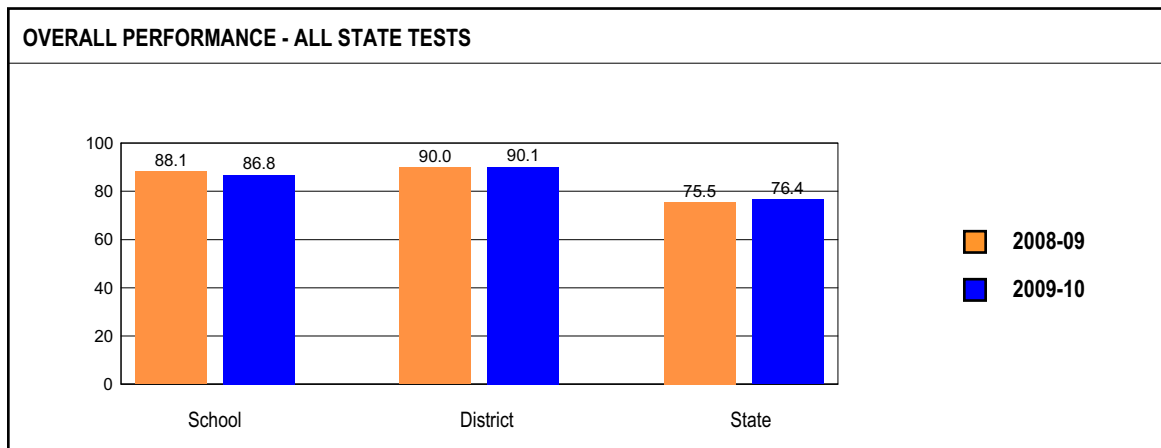

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

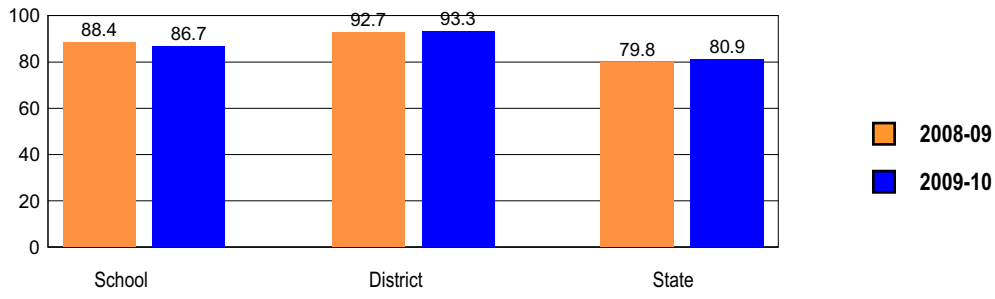

ACADEMIC PERFORMANCE

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

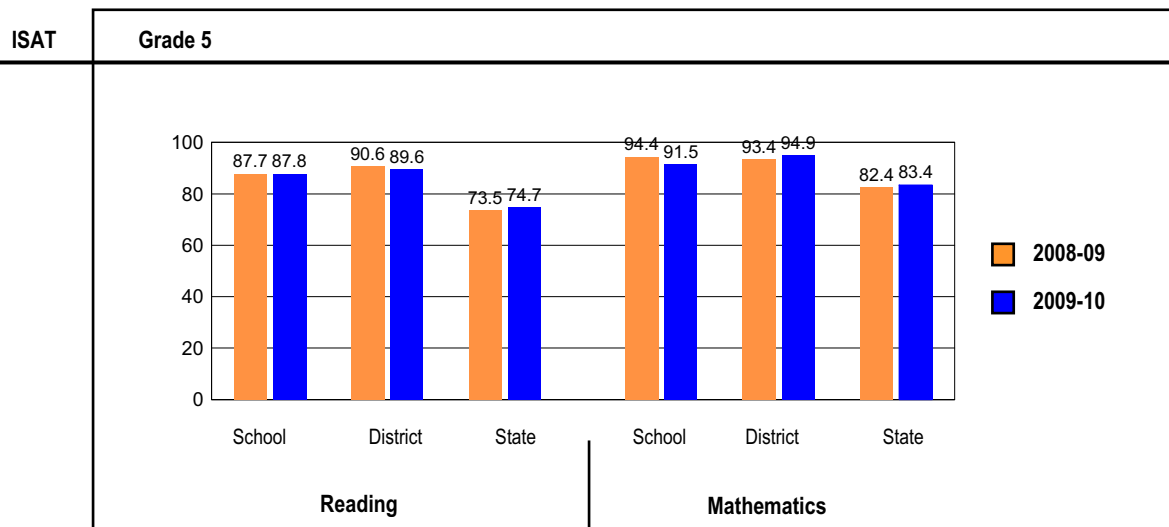

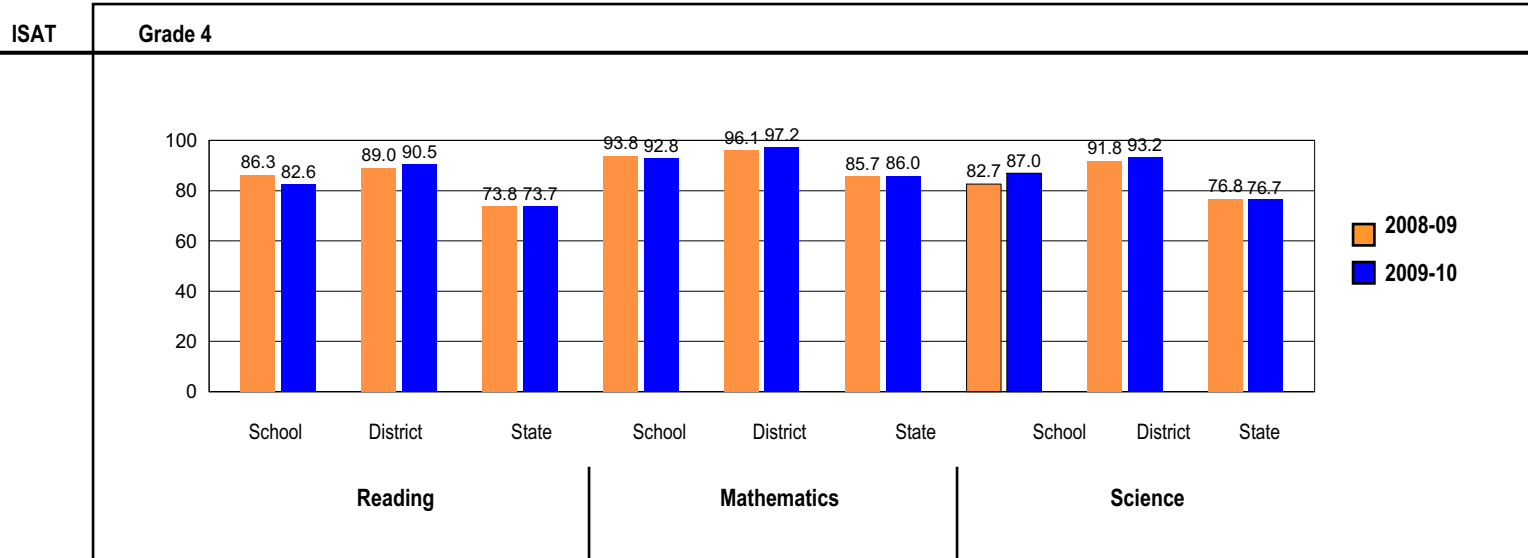

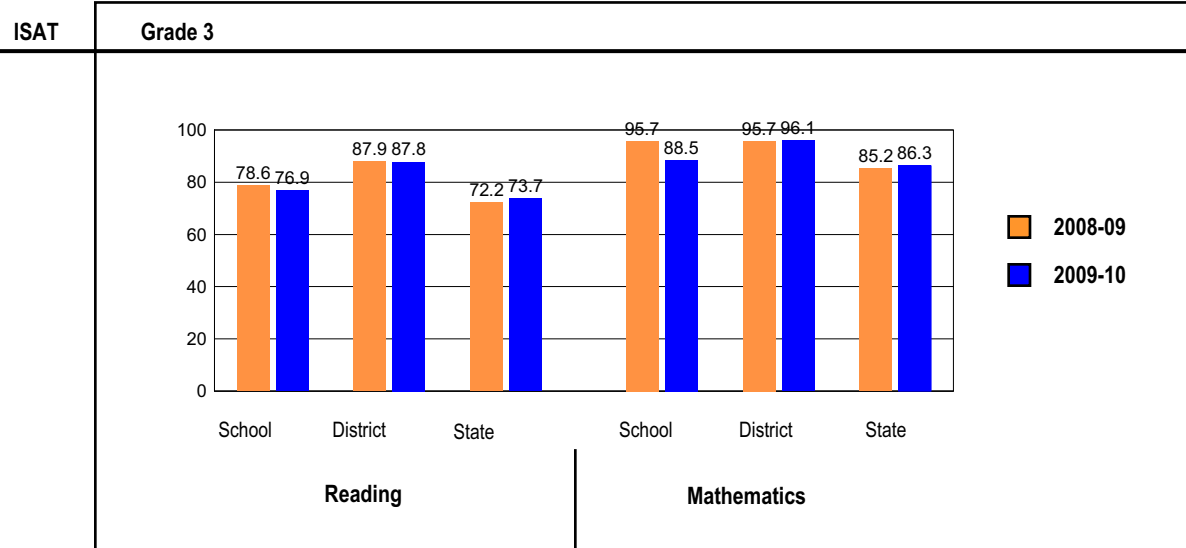

OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE

ISAT PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

2010 ADEQUATE YEARLY PROGRESS (AYP) Status Report

Is this school making Adequate Yearly Progress (AYP)?	No
Is this school making AYP in Reading?	No
Is this school making AYP in Mathematics?	No

Has this school been identified for School Improvement according to the AYP specifications of the federal No Child Left Behind Act?	No
2010-11 Federal Improvement Status	
2010-11 State Improvement Status	

	Percent Tested on State Tests				Percent Meeting/Exceeding Standards *						Other Indicators			
	Reading		Mathematics		Reading			Mathematics			Attendance Rate		Graduation Rate	
	%	Met AYP	%	Met AYP	%	Safe Harbor Target **	Met AYP	%	Safe Harbor Target **	Met AYP	%	Met AYP	%	Met AYP

Economically Disadvantaged	100.0	Yes	100.0	Yes	78.8		Yes	80.8		Yes				

Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 77.5% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 77.5% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
3. At least 91% attendance rate for non-high schools and at least 80% graduation rate for high schools.

* Includes only students enrolled as of 05/01/2009.

** Safe Harbor Targets of 77.5% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

Anderson Elementary School Improvement Plan for 2010 – 2011

The mission of Anderson School is to provide all students the opportunity to grow academically, socially, physically, and emotionally in a safe and positive environment that promotes learning. This “School Report Card” has been compiled by the Illinois State Board of Education as a means by which school districts communicate local and statewide information to the public. The No Child Left Behind Act of 2001 (NCLB) requires schools to reach achievement targets which are used to calculate Adequate Yearly Progress (AYP). The purpose of this “School Report Card” is to communicate the school’s and district’s performance under the annual targets.

Achievement Results from 2010:

In the spring of 2010, our third, fourth, and fifth graders took the Illinois Standards Achievement Test (ISAT). This exam measures student performance against learning standards developed by the State of Illinois. At grade three, 79% of our students met/exceeded standards in reading, and 91% in math. At grade four, 84% of our students met/exceeded standards in reading, and 93% in math. Our 4th grade students also took the science tests with 87% of them meeting/exceeding standards. At fifth grade, 89% of our students met/exceeded standards in reading, and 93% in math. The NCLB process also looks at the scores of subgroups of students in each school such as English Language Learners, Students on Free and Reduced lunch, students with Individualized Education Plans (IEPs), and the racial groups in each school. NCLB requires that all schools meet or exceed set score standards. The score standard for 2010 was 77.5 % of all groups of students meeting or exceeding the standards.

The students with IEPs did not make the expected Adequate Yearly Progress (AYP) score last year. This is our first year of not making AYP. Our grade level teams have analyzed our instructional program for their students to make sure that we will meet or exceed the standards for next year. The required percent of students meeting standards for 2009 was 70%, in 2010 it was 77.5%, and in 2011 it will be 85% percent. The percentage of students who meet standards will increase until 2014 when 100% of students must meet standards.

We also use other data collected during the year. This data helps teachers make informed judgments about helping students learn the state standards. We also use the District Affective Survey with students that measures school climate and respect at Anderson School. We are continuing to develop common grade level assessments based on the essential state standards to improve the performance of all students at Anderson School.

Goals for the current year:

During the year, our teachers meet in Professional Learning Communities (PLCs) and use the information from the ISAT tests, classroom tests, and observations, district assessments, report cards and parent surveys to set target areas for improvement. For the 2010-2011 school year, we will work toward goals in three areas:

- Increase the percentage of students meeting/exceeding standards in Reading so all students achieve AYP.
- Increase the percentage of students meeting/exceeding standards in Math so all students achieve AYP.
- Improve the school climate at Anderson School as measured on the District Affective Survey.

At staff meetings and on Institute Days teachers participate in professional development classes focused on improving instruction in reading, writing, math, and ways to help improve our affective goal. All together, these activities will raise the achievement for students on the goals we have identified.
