**REPORT**  
**CARD**

**GRADES : K 1 2 3 4 5**

State and federal laws require public school districts to release report cards to the public each year.

Starting in 2009, charter school information is included in district statistics.

**STUDENTS**

**RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION**

	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Multi racial /Ethnic	Percent Low- Income	Percent Limited- English- Proficient	Percent IEP	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment

**Low-income** students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

**IEP** Students are those students eligible to receive special education services.

**Limited-English-proficient** students are those students eligible for transitional bilingual programs.

**Mobility rate** is based on the number of times students enroll in or leave a school during the school year.

**Chronic truants** are students who are absent from school without valid cause for 18 or more of the last 180 school days.

**INSTRUCTIONAL SETTING**

OTHER FINANCIAL INDICATORS				
	2007 Equalized Assessed Valuation per Pupil	2007 Total School Tax Rate per \$100	2008-09 Instructional Expenditure per Pupil	2008-09 Operating Expenditure per Pupil
District	\$265,167	4.21	\$6,131	\$11,426
State	**	**	\$6,483	\$11,197

\*\* Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

**Equalized assessed valuation** includes all computed property values upon which a district's local tax rate is calculated.

**Total school tax rate** is a district's total tax rate as it appears on local property tax bills.

**Instructional expenditure per pupil** includes the direct costs of teaching pupils or the interaction between teachers and pupils.

**Operating expenditure per pupil** includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

## ACADEMIC PERFORMANCE

### OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

**OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE**

**ISAT PERFORMANCE**

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

## PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

PERCENTAGE OF STUDENTS NOT TESTED IN STATE TESTING PROGRAMS FOR READING AND MATHEMATICS

### ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

### Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 77.5% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 77.5% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. \*\*\*
3. At least 91% attendance rate for non-high schools and at least 80% graduation rate for high schools.

\* Includes only students enrolled as of 05/01/2009.

\*\* Safe Harbor Targets of 77.5% or above are not printed.

\*\*\* Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

## **Bell-Graham Elementary School Improvement Plan for 2010-2011**

*The mission at Bell-Graham School is to foster a reflective and joyful learning community where students respect diversity and use their hearts and minds to positively impact the world and set the course for their life long journeys.* Bell-Graham Elementary School is currently in its eleventh year of operation serving 555 students. The Bell-Graham staff, families, and administration work collaboratively to improve our school and the performance of our students. This "School Report Card" has been compiled by the Illinois State Board of Education as a means by which school districts communicate local and statewide information to the public. The No Child Left Behind Act of 2001 (NCLB) requires states to establish annual achievement targets which are used to calculate Adequate Yearly Progress (AYP). The purpose of this "School Report Card" is to communicate the school's and district's performance under the annual targets. Our goal is to provide all students an education that helps them both academically and emotionally.

### **Findings for the Improvement Plan**

Bell-Graham uses information such as standardized test scores, classroom assessments and observations, district assessments, student report cards, and surveys to determine target areas for school improvement. The Illinois Standards Achievement Test (ISAT) is an important part of our data. This exam measures student performance against a fixed set of learning standards developed by the State of Illinois. This past spring, ISAT tests were given to our third, fourth, and fifth grade students. At grade three, 94% of our students met or exceeded standards in reading and 100% in math. At grade four, 98% of our students met or exceeded standards in reading and 100% in math. Fourth grade students also took the science tests with 98% of students meeting or exceeding standards. At fifth grade, 95% of our students met or exceeded standards in reading and 97% of our students met or exceeded standards in math. The federal law "No Child Left Behind" requires that all schools meet or exceed set standards, which we have done. Another tool we use to monitor how our students are meeting standards is the Tungsten Assessment Program. Through this monthly online assessment of students in grades 2-5, teachers understand how students are doing on the subcomponents of the Illinois State Standards in reading and math. This assessment data helps teachers make informed decisions about instruction to help students meet state standards. The district's affective survey helps us measure the school climate and level of respect at Bell-Graham. In addition, we are continuing to develop grade level common formative assessments based on standards to improve the performance of our students. We are committed to analyzing our instructional program to make certain we continue to meet or exceed standards in the future.

### **Goals for the Current Year**

The Bell-Graham School Improvement Team analyzed the data to determine strengths and areas of improvement. Based on their work, the Bell-Graham School Improvement Plan was developed to focus on three goals:

- Increase the percentage of all students who meet and exceed standards on the 2011 ISAT Reading by 2%
- Increase the percentage of all students who meet and exceed standards on the 2011 ISAT Math by 1%
- Maintain the level of respect and responsibility shown by the students of Bell-Graham throughout the building

In order to help students meet identified goals, Bell-Graham's School Improvement Plan targets specific skills/strategies in reading and math. For reading, targets include application of 21<sup>st</sup> Century Skills in the area of writing and emphasis on cognitive engagement in implementation of the core literacy curriculum. Our target in math is to increase opportunities to apply learning in geometry, measurement, probability, algebra, tables, graphs, symbols, and math explanation. At staff meetings and on Institute Days, teachers participate in professional development focused on improving instruction in literacy and math. Teachers also implement strategies school-wide to encourage respect and responsibility in our building with an emphasis on student leadership. Overriding foci include increased concentration on results through data analysis, intervention and enrichment instruction to meet all students' needs, continued implementation of our Professional Learning Communities to improve instruction, and technology preparation for the 21<sup>st</sup> Century.

### **Contact Information**

We welcome your comments. You may e-mail me, the Bell-Graham Principal, at [RuthAnn.Dunton@d303.org](mailto:RuthAnn.Dunton@d303.org) or write to me at Bell-Graham Elementary School, 4N505 Fox Mill Boulevard, St. Charles, Illinois 60175. Also, the Community Unit School District 303 website, [www.d303.org](http://www.d303.org) links to our school website for additional information about Bell-Graham or the school district.
