ILLINOIS
SCHOOL
REPORT
CARD

GRADES : K 1 2 3 4 5

State and federal laws require public school districts to release report cards to the public each year.

Starting in 2009, charter school information is included in district statistics.

STUDENTS

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION

	White	Black	Hispanic	Asian	Native Hawaiian /Pacific Islander	American Indian	Two or More Races	Percent Low-Income	Percent Limited-English-Proficient	Percent IEP	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
School	84.2	1.4	5.5	7.7	0.2	0.2	0.9	2.2	2.7	12.3		0.0	4.5	96.3	583
District	82.0	1.4	9.7	4.8	0.1	0.4	1.6	12.8	3.6	14.9		0.2	5.1	95.4	13,836
State	51.4	18.3	23.0	4.1	0.1	0.3	2.8	48.1	8.8	14.0		3.2	12.8	94.0	2,074,806

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

IEP Students are those students eligible to receive special education services.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

Total Enrollment is based on Home School.

INSTRUCTIONAL SETTING

				Fire Prevention & Safety	\$0	0.0	0.7
				Site & Construction/ Capital Improvement	\$228,595	0.1	6.4
				TOTAL	\$165,690,509		

OTHER FINANCIAL INDICATORS				
	2008 Equalized Assessed Valuation per Pupil	2008 Total School Tax Rate per \$100	2009-10 Instructional Expenditure per Pupil	2009-10 Operating Expenditure per Pupil
District	\$275,343	4.09	\$6,332	\$11,588
State	**	**	\$6,773	\$11,537

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

ACADEMIC PERFORMANCE

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE

ISAT PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

2011 ADEQUATE YEARLY PROGRESS (AYP) Status Report

Is this school making Adequate Yearly Progress (AYP)?	Yes	Has this school been identified for School Improvement according to the AYP specifications of the federal No Child Left Behind Act?	No
Is this school making AYP in Reading?	Yes	2011-12 Federal Improvement Status	
Is this school making AYP in Mathematics?	Yes	2011-12 State Improvement Status	

	Percent Tested on State Tests				Percent Meeting/Exceeding Standards *						Other Indicators			
	Reading		Mathematics		Reading			Mathematics			Attendance Rate		Graduation Rate	
	%	Met AYP	%	Met AYP	%	Safe Harbor Target **	Met AYP	%	Safe Harbor Target **	Met AYP	%	Met AYP	%	Met AYP

Students with Disabilities	100.0	Yes	100.0	Yes										
Economically Disadvantaged														

Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 85% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 85% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
3. At least 91% attendance rate for non-high schools and at least 82% graduation rate for high schools.

* Includes only students enrolled as of 05/01/2010.

** Safe Harbor Targets of 85% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

Corron Elementary School Improvement Plan for 2011-12

Corron Elementary is in its 9th year of educating students of South Elgin, School District 303. We continue to be committed to creating a community of engaged and reflective learners. This year, our teaching practices have been enhanced with support from additional technology in every classroom, consisting of mounted LCD projectors and Ladybug Document cameras. These tools have been put to use in a wide variety of ways, daily, and the effect on student learning is evident.

This "School Report Card" has been compiled by the Illinois State Board of Education as a means by which school districts communicate local and statewide information to the public. The 'No Child Left Behind Act' of 2001 (NCLBA) required states to establish annual achievement targets which are used to calculate Annual Yearly Progress (AYP). In school year 2010-11, Corron Elementary achieved AYP in both Reading and Mathematics.

Findings for the School Improvement Plan

The Corron Building Leadership Team met this summer to analyze student data from the Illinois Standards Achievement Test (ISAT), the Tungsten Formative Assessments and our District Affective Survey. This team was a compilation of teachers from each grade level, resource teachers, parents, our reading specialist, our instructional support coach, our LRC director and the principal.

Summary of ISAT Results

Students in Grades 3, 4 and 5 participated in the Reading and Math tests, while students in Grade 4 also participated in the Science assessments.

3rd Graders continued to remain above district and state averages for students meeting or exceeding state standards. Final results showed 90.2% of our students meeting or exceeding standards in Reading and 98.2% of our students meeting or exceeding standards in Math.

4th Graders continued to remain above state averages for students meeting or exceeding state standards. A major celebration for our learners and teachers was an increase of 11.8% in Reading. Final results showed 95.5% of our students meeting or exceeding standards in Reading, compared to 83.7% the previous year. A total of 99.1% of our students met or exceeded standards in Math and 92.7 % met or exceeded standards in Science.

5th Graders continued to remain above state averages for students meeting or exceeding state standards. Final results showed 90.7% of our students meeting or exceeding standards in Reading and 93.5% of our students meeting or exceeding standards in Math.

Goals for 2011-12

- 75% of our students will indicate that they usually or always make a plan and carry out the steps when solving problems with others.
- Increase the achievement of students at risk of not meeting ISAT reading and math standards as indicated by ISEL, Acuity and previous ISAT Testing so that 100% meet standard.
- Increase the performance of students on the Acuity Reading or Easy CBM Test by 15%.

To accomplish these goals, we will meet weekly as a Professional Learning Community to consider formative assessment data, instructional strategies and effective work design. Intervention strategies will be put in place to meet the needs of students that are below expectations.. Teachers will continue to monitor student response to these interventions and progress towards state standards. Finally, student problem-solving will be emphasized through the Social Decision-Making and Problem-Solving Curriculum application in both home and school activities to assist students in finding and executing solutions to their challenges.

Contact Information

We look forward to a year of academic and social growth for students at Corron. Our Building Leadership Team values your comments and suggestions in this process. Please feel free to contact Rick Windle, principal of Corron, at (847) 741-7998 or by email at Richard.Windle@d303.org.
