**Low-income** students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

**IEP** Students are those students eligible to receive special education services.

**Limited-English-proficient** students are those students eligible for transitional bilingual programs.

**Mobility rate** is based on the number of times students enroll in or leave a school during the school year.

**Chronic truants** are students who are absent from school without valid cause for 18 or more of the last 180 school days.

**INSTRUCTIONAL SETTING**

OTHER FINANCIAL INDICATORS				
	2007 Equalized Assessed Valuation per Pupil	2007 Total School Tax Rate per \$100	2008-09 Instructional Expenditure per Pupil	2008-09 Operating Expenditure per Pupil
District	\$265,167	4.21	\$6,131	\$11,426
State	**	**	\$6,483	\$11,197

\*\* Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

**Equalized assessed valuation** includes all computed property values upon which a district's local tax rate is calculated.

**Total school tax rate** is a district's total tax rate as it appears on local property tax bills.

**Instructional expenditure per pupil** includes the direct costs of teaching pupils or the interaction between teachers and pupils.

**Operating expenditure per pupil** includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

## ACADEMIC PERFORMANCE

### OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

**OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE**

**ISAT PERFORMANCE**

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

## PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

PERCENTAGE OF STUDENTS NOT TESTED IN STATE TESTING PROGRAMS FOR READING AND MATHEMATICS

### ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

### Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 77.5% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 77.5% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. \*\*\*
3. At least 91% attendance rate for non-high schools and at least 80% graduation rate for high schools.

\* Includes only students enrolled as of 05/01/2009.

\*\* Safe Harbor Targets of 77.5% or above are not printed.

\*\*\* Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

## **Corron Elementary School Improvement Plan for 2010 - 2011**

Corron Elementary School is in its eighth year of serving the students of South Elgin in School District 303. We are committed to creating a community of reflective, responsible, self-motivated learners willing to take risks as we work to achieve our goals. On our journey of discovery, we will show compassion and RESPECT for ALL!

This "School Report Card" has been compiled by the Illinois State Board of Education as a means by which school districts communicate local and statewide information to the public. The *No Child Left Behind Act of 2001 (NCLBA)* required states to establish annual achievement targets which are used to calculate Annual Yearly Progress (AYP). The purpose of this "School Report Card" is to communicate the school's and district's performance on the annual targets. In School Year 2009-2010, Corron Elementary achieved Adequate Yearly Progress (AYP) in Mathematics under the Federal No Child Left Behind Act. We did not achieve Adequate Yearly Progress (AYP) in Reading for our special education subgroup.

### **Findings for the School Improvement Plan**

The Corron School Improvement Team met this summer to analyze data on student achievement and performance. We used preliminary results from the Illinois Standards Achievement Test (ISAT), Tungsten Formative Assessments, and our District Affective Survey.

ISAT Findings:

Students in Grades 3 and 5 participated in the ISAT Reading, Writing, and Math Tests. Students in 4<sup>th</sup> Grade were assessed in Reading, Math, and Science.

3<sup>rd</sup> Grade Students performed above the district and state averages in reading and math. 90.2% of 3<sup>rd</sup> Graders met or exceeded standards in reading. 98.2% met or exceeded standards in math.

4<sup>th</sup> Grade Students scored above state averages in all areas. 83.7% of 4<sup>th</sup> Graders met or exceeded standards in reading. 97.2% met in math. 89.6% of Corron 4<sup>th</sup> Graders met or exceeded standards in science.

5<sup>th</sup> Grade Students performed above the district and state averages. 90.5% met or exceeded standards in reading. 97.9% met or exceeded standards in mathematics.

Our School Improvement Goal was to increase ISAT Writing Scores by 5%. 88% of our 3<sup>rd</sup> Grade Students met or exceeded standards in writing, a 6% increase. 82% of our 5<sup>th</sup> Grade Students met or exceeded standards in writing, an increase of 10%. Corron surpassed its goal.

### **Goals for the Current School Year**

Our school improvement team chose to focus our work in two primary areas:

- Increase the performance of students meeting or exceeding standards on the ISAT Reading Assessments by 5%, with a special focus on our special education students.
- Increase the percentage of students using problem-solving strategies by 3% on the District Affective Survey.

To accomplish these goals, grade level professional learning communities will meet weekly to consider formative assessment data. They will identify students at risk of not meeting standards, as well as, what skills need to be targeted. Intervention strategies will be put in place to meet the needs of these students. Teachers will continue to monitor student response to these interventions and progress towards state standards. Staff Development Time will be provided for preparation and implementation of our new literacy curriculum. Finally, student problem-solving will be emphasized through the Social Decision-Making and Problem-Solving Curriculum application in both home and school activities to assist students in finding and executing solutions to their challenges.

### **Contact Information**

We look forward to a year of academic and social growth for students at Corron. Our School Improvement Team values your comments and suggestions in this process. Please feel free to contact Denise Liechty, principal of Corron, at (847) 741-7998 or by email at [dliechty@d303.org](mailto:dliechty@d303.org).
