ILLINOIS
SCHOOL
REPORT
CARD

GRADES : 9 10 11 12

State and federal laws require public school districts to release report cards to the public each year.

Starting in 2009, charter school information is included in district statistics.

STUDENTS

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION

	White	Black	Hispanic	Asian	Native Hawaiian /Pacific Islander	American Indian	Two or More Races	Percent Low-Income	Percent Limited-English-Proficient	Percent IEP	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
School	78.7	2.0	12.4	5.6	0.0	0.6	0.6	15.0	1.2	13.5	1.6	1.4	9.7	94.2	2,366
District	81.5	1.5	9.9	5.0	0.0	0.4	1.7	13.1	3.5	14.0	0.9	0.8	6.4	96.1	13,672
State	51.0	18.0	23.6	4.2	0.1	0.3	2.8	49.0	9.4	13.6	2.5	8.6	13.1	94.4	2,066,692

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

IEP Students are those students eligible to receive special education services.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

Total Enrollment is based on Home School.

INSTRUCTIONAL SETTING

PARENTAL CONTACT*		STUDENT-TO-STAFF RATIOS			
	Percent	Pupil-Teacher Elementary	Pupil-Teacher Secondary	Pupil-Certified Staff	Pupil-Administrator

OTHER FINANCIAL INDICATORS				
	2009 Equalized Assessed Valuation per Pupil	2009 Total School Tax Rate per \$100	2010-11 Instructional Expenditure per Pupil	2010-11 Operating Expenditure per Pupil
District	\$273,678	4.16	\$6,647	\$11,780
State	**	**	\$6,824	\$11,664

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

ACADEMIC PERFORMANCE

The number and percent of students taking the ACT are no longer reported since virtually every eleventh grade student takes the ACT as part of the PSAE.

* Includes graduating students' most recent ACT Assessment scores from an ACT national test date or PSAE testing. Excludes the scores of students who took the test with special accommodations. State averages for ACT data are based on regular public schools and do not include private and special purpose schools.

HIGH SCHOOL 4-YEAR GRADUATION RATE

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

PSAE PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the average scores and also the percents of student scores meeting or exceeding standards in reading, mathematics, and science on PSAE.

PSAE scores range from 120 to 200.

PRAIRIE STATE ACHIEVEMENT EXAMINATION (PSAE) - Percents Meeting or Exceeding Standards

Number of students in this school with PSAE scores in 2012: 558

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

PRAIRIE STATE ACHIEVEMENT EXAMINATION (PSAE)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 85% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 85% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
3. At least 91% attendance rate for non-high schools and at least 82% graduation rate for high schools.

* Includes only students enrolled as of 05/01/2011.

** Safe Harbor Targets of 85% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

St. Charles East High School Improvement Plan for 2012-2013

This “School Report Card” has been compiled by the Illinois State Board of Education as a means by which school districts communicate local and statewide information to the public. The *No Child Left Behind Act of 2001* (NCLB) required states to establish annual achievement targets which are used to calculate Adequate Yearly Progress (AYP). The purpose of this “School Report Card” is to communicate the performance of this school and district on the annual targets.

We are now in the eighth year of defined secondary school improvement work. As a school we are continually monitoring, analyzing, and interpreting student data which leads to implementing new goals, while at the same time continuing with previously established successful ones. For example, this current school year there is an increased focus on building wide reading to improve our students’ college readiness and scores on standardized testing.

The four primary goals for all District #303 schools are: 1) the continuation and refinement of Professional Learning Communities (PLCs); 2) the incorporation of Response to Intervention (RTI); where various forms of student assistance are utilized to help struggling students; 3) the development and use of common formative assessments in instruction—this ensures that teachers who teach the same course will give comparable assessment, and student data from these assessments will be examined, analyzed and teaching will be adjusted; and, 4) the use of the Charlotte Danielson Framework, which is a plan that clearly delineates effective teaching and best practice in the classroom with the intent of increased student success.

Findings of the School Improvement Plan:

For the sixth year, a comprehensive plan for providing achievement data for all students in grades 9-11 from the ACT series of tests will be implemented. On November 6, 9th graders will take the Explore test, November 7, sophomores will take the official PLAN test, and on November 8, juniors will take a retired ACT test. This system provides us with timely and useful data relative to our students’ current levels of performance, academic progress, and prioritizes instructional goals. In April, the Prairie State Achievement Exam (PSAE) will be administered to all 11th graders. This assessment, which is a graduation requirement, is used to measure students’ current progress, as well as their academic achievement in comparison to district and state levels.

Documented successes of school improvement as compared to the 2011-2012 school year, that are noted in this report include:

- Enrollment increased from 2330 to 2453
- 5th year in a row St. Charles East was recognized by the Washington Post as one of “America’s Best High Schools” in the United States
- 929 AP exams were taken in 2011; an increase of 123 AP exams
- 517 students took the AP exams; an increase of 44 students
- Average score on the AP exams increased to 3.08
- The composite ACT college entrance exam score for East’s class of 2012 was 23.4; an increase of .4 from the class of 2011
- High school graduation rate of 91.31%; an increase of 1.51% from 2011
- Overall, students’ average PSAE was 72.8%; an increase of 1.1% from 2011
- Decreased the amount of suspensions at East by 29%

Goals for the 2012-2013 School Year

The East staff will focus on the goals listed below for improving student performance and achievement:

- ***All students will meet the Reading Benchmark of 80% on the 2013 PSAE.***
- ***All students will meet the Math Benchmark of 80% on the 2013 PSAE.***

In order to achieve the above goals for the current school year, the following long-range goals have also been established:

- 1) All departments will continue to incorporate reading strategies, RTI and SEL in the classroom.
- 2) All faculty meetings and School Improvement Days will be dedicated to reading strategies, Response to Intervention and Social Emotional Learning for the 2012-2013 school year.
- 3) Assessment data will be used to identify student deficiencies and target interventions.
