ILLINOIS
SCHOOL
REPORT
CARD

GRADES : PK K 1 2 3 4 5

State and federal laws require public school districts to release report cards to the public each year.

Starting in 2009, charter school information is included in district statistics.

STUDENTS

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION													
	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Multi racial /Ethnic	Low- Income Rate	Limited- English- Proficient Rate	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
School	87.7	1.1	2.6	3.8	0.9	4.0	0.3	0.5		0.0	4.5	95.9	658
District	83.8	1.3	7.3	4.6	0.4	2.6	7.7	3.6		0.2	6.6	95.0	13,809
State	53.3	19.1	20.8	4.1	0.2	2.5	42.9	8.0		3.7	13.5	93.7	2,070,125

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

INSTRUCTIONAL SETTING

PARENTAL CONTACT*		STUDENT-TO-STAFF RATIOS			
	Percent	Pupil- Teacher Elementary	Pupil- Teacher Secondary	Pupil- Certified Staff	Pupil- Administrator
School	100.0	--	--	--	--
District	98.5	18.4	16.9	13.3	242.7
State	96.7	18.4	18.0	13.3	201.8

* Parental contact includes parent-teacher conferences, parental visits to school, school visits to home, telephone conversations, and written correspondence.

				TOTAL	\$152,417,263		

OTHER FINANCIAL INDICATORS				
	2006 Equalized Assessed Valuation per Pupil	2006 Total School Tax Rate per \$100	2007-08 Instructional Expenditure per Pupil	2007-08 Operating Expenditure per Pupil
District	\$248,517	4.21	\$5,709	\$10,953
State	**	**	\$6,103	\$10,417

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.
Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.
Total school tax rate is a district's total tax rate as it appears on local property tax bills.
Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.
Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

ACADEMIC PERFORMANCE

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

The 2007-08 school year was the first time that Limited English Proficient (LEP) students took the ISAT or PSAE (with accommodations) instead of the IMAGE test. Therefore, any comparisons with prior year's achievement levels for LEP students should be made with appropriate caution.

OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE

ISAT PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 70.0% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 70.0% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
3. For schools not making AYP solely because the IEP group fails to have 70.0% meeting/exceeding standards, 14% may be added to this variable in accordance with the federal 2% flexibility provision.
4. At least 90% attendance rate for non-high schools and at least 78% graduation rate for high schools.

* Includes only students enrolled as of 05/01/2008.

** Safe Harbor Targets of 70.0% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

Ferson Creek Elementary School Improvement Plan for 2009-2010

The Illinois State Board of Education, as a means by which school districts communicate local and statewide information to the public, has compiled this "School Report Card." The No Child Left Behind Act of 2001 (NCLBA) requires states to establish annual achievement targets which are used to calculate Adequate Yearly Progress (AYP). The purpose of this "School Report Card" is to communicate the school and district's performance on the annual targets.

The mission of Ferson Creek Elementary School is to provide a school environment that will allow the whole child to develop. During the 2008 - 2009 school year, the Ferson Creek learning community set their path toward excellence by focusing on the performance areas of summarizing and retelling for reading, extended-response for mathematics, and the continuation of a multi-year character development program to support and extend student affective learning.

Findings for the Improvement Plan

Implementation of Professional Learning Communities, a focus on summary and retelling, a focus on extended responses in mathematics, and application of Social Decision Making and Social Problem Solving (SDM/SPS) has supported the learning community at Ferson Creek Elementary School. For the 2009 - 2010 school year, the Illinois Standards Achievement Test (ISAT) and various district assessments were analyzed and triangulated in order to make data-based decisions about our initiatives. The ISAT results from the spring of 2009 indicate the following:

- Grade 3 performance improved two percent to 92% in Reading, and improved two percent to 98% in Mathematics.
- Grade 4 performance three percent to 94% in Reading, and decreased from five percent to 95% in Mathematics.
- Grade 5 performance increased four-tenths of a percent to 91% in Reading, and decreased five percent to 93% in Mathematics.

Goals for the Current Year

The following student performance goals guide our efforts this year:

- To increase the percentage of meets & exceeds by 5% on the Writing ISAT assessment.
- All students will make at least one years growth during one school year as measured by DRA2 Independent level.
- All students will respond to adults and peers respectfully.

Professional learning will center on using Professional Learning Community protocols to develop Writing Essentials for each grade level, model strong and weak samples of support and organization for all students, implementation of student directed self-assessments for Writing, targeting of relative student strengths and weaknesses for the purpose of strategically using defined Enrichment/Intervention opportunities, and the training and implementation of Social Decision Making/Social Problem Solving (SDM/SPS) strategies to enable respectful and safe interactions.

Contact Information

Community involvement and partnership is vital to our students' continuous growth and achievement. You can further this partnership by sending your comments and ideas to Mr. Christopher Adkins, Principal, Ferson Creek Elementary School, 36W160 Bolcum Road, St. Charles, Illinois 60175-6971, or email Christopher.Adkins@d303.org. You are also encouraged to log on to the District 303 website at www.d303.org for additional information about our school district.
