Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

IEP Students are those students eligible to receive special education services.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

Total Enrollment is based on Home School.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE

ISAT PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 85% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 85% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
3. At least 91% attendance rate for non-high schools and at least 82% graduation rate for high schools.

* Includes only students enrolled as of 05/01/2010.

** Safe Harbor Targets of 85% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

HAINES MIDDLE SCHOOL IMPROVEMENT PLAN FOR 2011-2012

This "School Report Card" has been compiled by the Illinois State Board of Education as a means by which school districts communicate local and statewide information to the public. The No Child Left Behind Act of 2001 (NCLB) requires states to establish annual achievement targets which are used to calculate Adequate Yearly Progress (AYP). The purpose of this "School Report Card" is to communicate the school's and district's performance on annual targets.

Haines Middle School continues to provide a high quality education for all students. As a school we are continually monitoring, analyzing, and interpreting student data which leads to implementing new goals, while at the same time continuing with previously established successful ones. For example, this current school year there is an increased focus on reading and math concepts building wide to improve our students' high school readiness and scores on standardized testing.

The three primary goals for all District #303 schools are: 1) the continuation and refinement of Professional Learning Communities (PLCs); 2) the incorporation of Response to Intervention (RtI), where various forms of student assistance are utilized to help struggling students; and, 3) the use of the Charlotte Danielson Framework, which is an evaluation plan that clearly delineates effective teaching and best practice in the classroom with the intent of increased student success.

Findings of the School Improvement Plan:

The results in this report indicate that Haines students scored significantly higher than the state average on standardized testing. Haines performance on All State Tests is 95.1%; Illinois State performance is 76.5%. Documented successes of school improvement, as compared to 2009-2010 school year, that are noted in this report include:

- Enrollment increased from 1,103 to 1,109
- Chronic truancy rate decreased by 0.4%
- Attendance rate increased by 0.6% (96.3%)
- Average Class Size decreased in 6th grade (29.2 to 22.4) and 8th grade (23.8 to 22.1)
- Illinois Standards Achievement Test (ISAT) has Haines overall performance at 95.4%
6th Grade Reading Meets/Exceeds 96.6%; 6th Grade Math Meets/Exceeds 96.9%
7th Grade Reading Meets/Exceeds 94.2%; 7th Grade Math Meets/Exceeds 94.7%; 7th Grade Science Meets/Exceeds 94.7%
8th Grade Reading Meets/Exceeds 94.9%; 8th Grade Math Meets/Exceeds 96.3%

Goals for the 2011-2012 School Year:

The Haines Middle School staff will focus on the goals listed below for improving student performance and achievement:

- **Reading achievement for all students on ISAT will improve to make Adequate Yearly Progress (AYP).**
- **Math achievement for all students on ISAT will increase to make Adequate Yearly Progress (AYP).**
- **Teachers will provide students opportunities and strategies to develop and apply social/emotional learning skills in the context of the school.**
- **Demonstrate professional behavior through interpersonal skills and to increase positive faculty and staff relationships.**

In order to achieve the above goals for the current school year, the following long-range goals have also been established:

- 1) All content areas will develop specific reading goals, identify actions to reach the goals, implement, and evaluate these goals.
- 2) School Improvement and Institute Days will focus on professional learning, inter-team sharing, and support of reading improvement for all.
- 3) Assessment data will be used to identify student deficiencies and targeted interventions to be implemented.
