

**Haines Middle School**  
**St Charles CUSD 303**  
**St Charles, ILLINOIS**

**ILLINOIS**  
**SCHOOL**  
**REPORT**  
**CARD**

**GRADES : 6 7 8**

State and federal laws require public school districts to release report cards to the public each year.

Starting in 2009, charter school information is included in district statistics.

**STUDENTS**

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION														
	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Multi racial /Ethnic	Percent Low- Income	Percent Limited- English- Proficient	Percent IEP	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
<b>School</b>	85.7	1.1	5.0	4.9	0.7	2.6	4.0	0.5	8.8		0.5	1.1	95.7	1,103

**Low-income** students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

**IEP** Students are those students eligible to receive special education services.

**Limited-English-proficient** students are those students eligible for transitional bilingual programs.

**Mobility rate** is based on the number of times students enroll in or leave a school during the school year.

**Chronic truants** are students who are absent from school without valid cause for 18 or more of the last 180 school days.

**INSTRUCTIONAL SETTING**

				<b>TOTAL</b>	<b>\$163,665,750</b>		

OTHER FINANCIAL INDICATORS				
	2007 Equalized Assessed Valuation per Pupil	2007 Total School Tax Rate per \$100	2008-09 Instructional Expenditure per Pupil	2008-09 Operating Expenditure per Pupil
District	\$265,167	4.21	\$6,131	\$11,426
State	**	**	\$6,483	\$11,197

\*\* Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

**Equalized assessed valuation** includes all computed property values upon which a district's local tax rate is calculated.

**Total school tax rate** is a district's total tax rate as it appears on local property tax bills.

**Instructional expenditure per pupil** includes the direct costs of teaching pupils or the interaction between teachers and pupils.

**Operating expenditure per pupil** includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

## ACADEMIC PERFORMANCE

### OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

**OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE**

**ISAT PERFORMANCE**

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

## PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

PERCENTAGE OF STUDENTS NOT TESTED IN STATE TESTING PROGRAMS FOR READING AND MATHEMATICS														
		Gender			Racial/Ethnic Background						LEP	Migrant	Students with Disabilities	Economically Disadvantaged

### ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

## 2010 ADEQUATE YEARLY PROGRESS (AYP) Status Report

Is this school making Adequate Yearly Progress (AYP)?	Yes
Is this school making AYP in Reading?	Yes
Is this school making AYP in Mathematics?	Yes

Has this school been identified for School Improvement according to the AYP specifications of the federal No Child Left Behind Act?	No
2010-11 Federal Improvement Status	
2010-11 State Improvement Status	

	Percent Tested on State Tests				Percent Meeting/Exceeding Standards *						Other Indicators			
	Reading		Mathematics		Reading			Mathematics			Attendance Rate		Graduation Rate	
	%	Met AYP	%	Met AYP	%	Safe Harbor Target **	Met AYP	%	Safe Harbor Target **	Met AYP	%	Met AYP	%	Met AYP
<b>State AYP Minimum Target</b>	95.0		95.0		77.5			77.5			91.0		80.0

<b>Economically Disadvantaged</b>														

### Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 77.5% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 77.5% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. \*\*\*
3. At least 91% attendance rate for non-high schools and at least 80% graduation rate for high schools.

\* Includes only students enrolled as of 05/01/2009.

\*\* Safe Harbor Targets of 77.5% or above are not printed.

\*\*\* Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

## **Haines Middle School Improvement Plan for 2010-2011**

This "School Report Card" has been compiled by the Illinois State Board of Education as a means by which school districts communicate local and statewide information to the public. The No Child Left Behind Act of 2001 (NCLB) requires states to establish annual achievement targets which are used to calculate Adequate Yearly Progress (AYP). The purpose of this "School Report Card" is to communicate the school's and district's performance on annual targets.

Haines Middle School continues to provide a high quality education for all students. In a cooperative effort which includes students, staff, parents, and administration, Haines met all requirements set by the state and federal government to meet Adequate Yearly Progress (AYP). This report is a summary of findings that shaped our current School Improvement Plan and our goals for continuous improvement.

### **Findings for the Improvement Plan**

The results in the summary show that Haines students scored significantly higher than the state average on all four tests. The Illinois Standards Achievement Test (ISAT) tested students in reading and math in grades six, seven, and eight. Science was tested in seventh grade. Writing is tested at the 6<sup>th</sup> and 7<sup>th</sup> grades. In sixth grade, 96.1% of students at our school met or exceeded state standards for reading and 95.4% met or exceeded state standards in math. In seventh grade, 95.1% of students met or exceeded state standards in reading and 95.6% met or exceeded standards in math. In eighth grade, 96.2% of students met or exceeded the state standards in reading and 95.4% met or exceeded standards in math. The high academic achievement of Haines' students on the ISAT is also confirmed by the achievement data we collected from Tungsten, and ACT/Explore tests. The school scores on these assessments indicate student achievement in the mid 90th percentiles nationally in all subject areas.

### **Goals for the Current Year**

Efforts toward improvement during 2010-2011 will focus on assisting students who did not meet state standards and on addressing areas for growth among those that met, but did not exceed those standards. The Haines School Improvement Plan identifies goals for continued improvement in reading, math, and Social Emotional Learning. We will focus our efforts on very specific sub-scores in reading, and math, which will have an overall positive effect on our student achievement. Our SMART Goals for this school year are:

- To increase all students' reading performance on the ISAT by 1% as evidenced by a 3% increase in the strategies sub-score and a 4% increase in the comprehension sub-score.
- To increase all students' math performance on the ISAT by 1% as evidenced by a .25% increase in the number sense, Algebra, measurement, and data sub-scores.

Since the beginning of the school year, all staff members participated in staff development designed to make progress toward achieving the aforementioned goals.

### **Contact Information**

We welcome your feedback. Please e-mail your ideas and comments to me at [ckyle@d303.org](mailto:ckyle@d303.org) or write me at Charlie Kyle, Principal, Haines Middle School, 305 S. 9th Street, St. Charles, IL, 60174.
