St Charles, ILLINOIS**

**ILLINOIS
SCHOOL
REPORT
CARD**

GRADES : K 1 2 3 4 5

State and federal laws require public school districts to release report cards to the public each year.

Starting in 2009, charter school information is included in district statistics.

STUDENTS

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION													
	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Multi racial /Ethnic	Low- Income Rate	Limited- English- Proficient Rate	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
School	87.5	0.7	3.6	2.3	0.0	5.9	9.9	0.3		0.0	5.8	95.8	303
District	83.8	1.3	7.3	4.6	0.4	2.6	7.7	3.6		0.2	6.6	95.0	13,809
State	53.3	19.1	20.8	4.1	0.2	2.5	42.9	8.0		3.7	13.5	93.7	2,070,125

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

INSTRUCTIONAL SETTING

PARENTAL CONTACT*		STUDENT-TO-STAFF RATIOS			
	Percent	Pupil- Teacher Elementary	Pupil- Teacher Secondary	Pupil- Certified Staff	Pupil- Administrator
School	100.0	--	--	--	--
District	98.5	18.4	16.9	13.3	242.7
State	96.7	18.4	18.0	13.3	201.8

* Parental contact includes parent-teacher conferences, parental visits to school, school visits to home, telephone conversations, and written correspondence.

State	12.5	44.1	55.8	0.6	1.2

Some teacher/administrator data are not collected at the school level.

SCHOOL DISTRICT FINANCES

TEACHER/ADMINISTRATOR SALARIES (Full-Time Equivalents)

Salaries and counts of staff are summed across a district based on the percentage of time that each individual is employed as a teacher or an administrator and may or may not reflect the actual paid salaries for the district.

EXPENDITURE BY FUNCTION 2007-08 (Percentages)

REVENUE BY SOURCE 2007-08				EXPENDITURE BY FUND 2007-08			
	District	District %	State %		District	District %	State %
Local Property Taxes	\$132,783,278	82.8	58.7	Education	\$110,935,197	72.8	71.5

				TOTAL	\$152,417,263		

OTHER FINANCIAL INDICATORS				
	2006 Equalized Assessed Valuation per Pupil	2006 Total School Tax Rate per \$100	2007-08 Instructional Expenditure per Pupil	2007-08 Operating Expenditure per Pupil
District	\$248,517	4.21	\$5,709	\$10,953
State	**	**	\$6,103	\$10,417

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.
Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.
Total school tax rate is a district's total tax rate as it appears on local property tax bills.
Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.
Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

ACADEMIC PERFORMANCE

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

The 2007-08 school year was the first time that Limited English Proficient (LEP) students took the ISAT or PSAE (with accommodations) instead of the IMAGE test. Therefore, any comparisons with prior year's achievement levels for LEP students should be made with appropriate caution.

OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE

ISAT PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 70.0% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 70.0% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
3. For schools not making AYP solely because the IEP group fails to have 70.0% meeting/exceeding standards, 14% may be added to this variable in accordance with the federal 2% flexibility provision.
4. At least 90% attendance rate for non-high schools and at least 78% graduation rate for high schools.

* Includes only students enrolled as of 05/01/2008.

** Safe Harbor Targets of 70.0% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

Lincoln Elementary School Improvement Plan for 2009-2010

This "School Report Card" has been compiled by the Illinois State Board of Education as a means by which school districts communicate local and statewide information to the public. The No Child Left Behind Act of 2001 (NCLBA) required states to establish annual achievement targets which are used to calculate Adequate Yearly Progress (AYP). The purpose of this "School Report Card" is to communicate the school's and district's performance on the annual targets.

The mission of Lincoln School is to provide a safe, secure, challenging, and nurturing environment in which all children are allowed to experience success and achievement while utilizing their abilities, to develop their unique creative and critical skills to their fullest potential, and to become life-long learners with the support and encouragement of professional staff and parents. The Lincoln community of staff, students, and parents continues to work toward that goal with our focus on increased achievement and success for every student and to move more students from meeting expectations to exceeding expectations.

Findings for the Improvement Plan

Our 2009-10 School Improvement Plan is based partially on the following information that was collected during the 2008-09 school year. Using state, local, and classroom-based assessments, student growth and progress was measured and analyzed to develop the foundation for the Lincoln School Improvement Plan.

ISAT: In March 2009, students in grades 3, 4 and 5 participated in the Illinois Standards Achievement Test. Students in grades 3, 4 & 5 were administered tests in reading and math, while students in 4th grade were also given tests in science, and 3rd and 5th grade students were assessed in writing.

Reading

- 87.0 percent of Lincoln 3rd graders met or exceeded state standards in Reading
- 88.9 percent of Lincoln 4th graders met or exceeded state standards in Reading
- 93.3 percent of Lincoln 5th graders met or exceeded state standards in Reading

Math

- 98.1 percent of Lincoln 3rd graders met or exceeded state standards in Math
- 98.1 percent of Lincoln 4th graders met or exceeded state standards in Math
- 91.1 percent of Lincoln 5th graders met or exceeded state standards in Math

Science

- 92.6 percent of Lincoln 4th graders met or exceeded state standards in Science

Writing

- 86.8 per cent of Lincoln 3rd graders met or exceeded state standards in Writing
- 86.7 percent of Lincoln 5th graders met or exceeded state standards in Writing

Goals for the Current Year

The Lincoln School Improvement Team analyzed the data to determine strengths and areas of improvement. Based on that work, the Lincoln School Improvement Plan was developed to focus on three goals:

- Increase the performance of all students on the ISAT Reading by 3%
- Increase the performance of all students on the ISAT Math by 1%
- The Lincoln School Community will maintain positive interactions in a supportive and caring environment for students, staff and parents.

Based on trend data and current baseline data, our focus in achieving our reading and math goals will be to strengthen each student's ability to utilize comprehension and word strategies in reading and to improve problem-solving strategies including computation, operations, estimation, properties, data analysis, and statistics in math.

To address each Lincoln SIP goal, the Lincoln Staff will:

- Regularly meet in collaborative teams as professional learning communities to systematically analyze student data, establish student learning goals, create action plans and formative assessments to evaluate student progress;
- Use Tungsten Benchmarks Assessments to guide instructional planning and practice, targeting areas needing improvement;
- Use the DRA2 (Developmental Reading Assessment) to obtain an individual comprehensive reading profile for each student to guide the teacher to plan for small group reading instruction.

Lincoln School Improvement Plan

Using our core literacy program, "Literacy by Design," the entire Lincoln Staff is working diligently to combine best practices in literacy instruction and differentiation methods to support all students' learning needs. Throughout the year and on institute days, staff members are actively participating in professional learning activities aligned with school improvement goals and plans. In addition, staff members are continually strengthening their data interpretation skills to assist them in analyzing student data while monitoring student growth and achievement.

To achieve success in the affective domain of the Lincoln School Improvement Plan, staff members have successfully implemented the Social Decision-Making and Problem Solving Program during classroom Morning Meetings and as a school we have integrated these skills into the daily routine. A fundamental component of the long-standing success at Lincoln School is the close-knit and caring community that is established and maintained year after year.

Contact Information

As always, Lincoln School values input and feedback! Please contact Adam.Zbrozek@d303.org or write: Adam Zbrozek, Principal; Lincoln Elementary School; 211 S. 6th Ave. St. Charles, IL 60174.
