**ILLINOIS**  
**SCHOOL**  
**REPORT**  
**CARD**

**GRADES : PK K 1 2 3 4 5**

State and federal laws require public school districts to release report cards to the public each year.

Starting in 2009, charter school information is included in district statistics.

**STUDENTS**

**RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION**

	White	Black	Hispanic	Asian	Native Hawaiian /Pacific Islander	American Indian	Two or More Races	Percent Low-Income	Percent Limited-English-Proficient	Percent IEP	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
<b>School</b>	83.9	0.2	11.8	3.4	0.0	0.2	0.5	19.3	7.3	20.0		0.0	5.8	96.0	440

**Low-income** students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

**IEP** Students are those students eligible to receive special education services.

**Limited-English-proficient** students are those students eligible for transitional bilingual programs.

**Mobility rate** is based on the number of times students enroll in or leave a school during the school year.

**Chronic truants** are students who are absent from school without valid cause for 18 or more of the last 180 school days.

**Total Enrollment** is based on Home School.

**INSTRUCTIONAL SETTING**

<b>PARENTAL CONTACT*</b>		<b>STUDENT-TO-STAFF RATIOS</b>			
	Percent	Pupil-Teacher Elementary	Pupil-Teacher Secondary	Pupil-Certified Staff	Pupil-Administrator

				Capital Projects	\$0	0.0	5.1
				TOTAL	\$173,472,682		

OTHER FINANCIAL INDICATORS				
	2009 Equalized Assessed Valuation per Pupil	2009 Total School Tax Rate per \$100	2010-11 Instructional Expenditure per Pupil	2010-11 Operating Expenditure per Pupil
District	\$273,678	4.16	\$6,647	\$11,780
State	**	**	\$6,824	\$11,664

\*\* Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

**Equalized assessed valuation** includes all computed property values upon which a district's local tax rate is calculated.

**Total school tax rate** is a district's total tax rate as it appears on local property tax bills.

**Instructional expenditure per pupil** includes the direct costs of teaching pupils or the interaction between teachers and pupils.

**Operating expenditure per pupil** includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

## ACADEMIC PERFORMANCE

### OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

**OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE**

**ISAT PERFORMANCE**

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

## PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

PERCENTAGE OF STUDENTS NOT TESTED IN STATE TESTING PROGRAMS FOR READING															
		Gender			Racial/Ethnic Background							LEP	Migrant	Students with Disabilities	Economically Disadvantaged

### ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

## 2012 ADEQUATE YEARLY PROGRESS (AYP) STATUS REPORT

Is this school making Adequate Yearly Progress (AYP)?	No	Has this school been identified for School Improvement according to the AYP specifications of the federal No Child Left Behind Act?	No
Is this school making AYP in Reading?	No	2012-13 Federal Improvement Status	
Is this school making AYP in Mathematics?	Yes	2012-13 State Improvement Status	

	Percent Tested on State Tests				Percent Meeting/Exceeding Standards *						Other Indicators			
	Reading		Mathematics		Reading			Mathematics			Attendance Rate		5-YEAR Graduation Rate	
	%	Met AYP	%	Met AYP	%	Safe Harbor Target **	Met AYP	%	Safe Harbor Target **	Met AYP	%	Met AYP	%	Met AYP

Economically Disadvantaged	100.0	Yes	100.0	Yes	67.4		No	91.3		Yes				

### Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 85% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 85% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. \*\*\*
3. At least 91% attendance rate for non-high schools and at least 82% graduation rate for high schools.

\* Includes only students enrolled as of 05/01/2011.

\*\* Safe Harbor Targets of 85% or above are not printed.

\*\*\* Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

## **Munhall Elementary School – School Improvement Plan (SIP) for 2012-2013**

This School Report Card has been compiled by the Illinois State Board of Education (ISBE) as a means by which school districts communicate local and statewide information to the public. The No Child Left Behind Act (NCLB) of 2001 requires states to establish annual achievement targets which are used to calculate Adequate Yearly Progress (AYP). The purpose of this School Report Card is to communicate the performance of the school and district in relation to the annual targets.

At Munhall Elementary School, our goal is to support the academic and social-emotional growth of all students within the educational environment. We believe:

- All students can and must learn;
- All members of our community are life-long learners;
- Collaboration is essential to achieve high expectations and success for all learners;
- Learning requires a respectful, caring, safe environment that honors risk-taking;
- Learning necessitates a partnership involving school, home, and community; and
- Learning requires engagement and ownership.

### **Findings for the School Improvement Plan (SIP)**

The School Improvement (SIP) Team at Munhall Elementary School reviewed multiple data sources to establish our school improvement goal for the 2012-2013 school year. We analyzed our Illinois Standards Assessment (ISAT) data and additional data from other district and building level assessments.

Specifically, data on the ISAT, which was administered to third, fourth, and fifth grade students in spring 2012, indicated the following:

- At grade three, 81.7% of our students met or exceeded standards in reading and 88.7% in mathematics.
- At grade four, 84.5% of our students met or exceeded standards in reading, and 97.2% in mathematics, and 94.3% in science.
- At grade five, 92.2% of our students met or exceeded standards in reading and 97.4% in mathematics.
- 62% of our special education subgroup of 45 students or more met or exceeded standards in reading and 82% in mathematics.
- 67.4% of our economically disadvantaged subgroup of 45 students or more met or exceeded in reading and 91.3% in mathematics.

### **Goal for the 2012-2013 School Year**

When analyzing our data, the School Improvement (SIP) Team identified areas of strength and areas for growth. Additionally, we looked for patterns in our data. As a result of our data analysis and work together, we set our school improvement (SIP) goals as follows:

- Increase the level of cognitive student engagement through effective relationships and responsive, purposeful instruction

We are working to increase cognitive student engagement by building and maintaining effective relationships throughout the learning community with students, families, and staff. In addition, our efforts are focused on responding to the needs of every student through responsive, purposeful instruction.

Our grade-level collaborative teams meet on a regular basis and collect and analyze formative assessment data to set goals and to plan for instruction. Educators throughout the school participate in embedded professional learning opportunities by opening their classrooms to objective observations, lesson studies, peer learning labs, book studies, and professional conversations. Our data teams and collaborative problem-solving team meet regularly to plan for intervention support for students needing additional tiered support. Progress is monitored for all students receiving intervention support, to ensure growth for all students.

### **Contact Information**

The School Improvement (SIP) Team at Munhall Elementary School welcomes and values your comments and feedback. Please forward any comments and feedback to Kelly Sculles, Principal of Munhall Elementary School at [Kelly.Sculles@d303.org](mailto:Kelly.Sculles@d303.org) or via the US mail to Munhall Elementary School, in C/O Kelly Sculles, 1400 South 13<sup>th</sup> Avenue, St. Charles, Illinois 60174. For additional information about the school district, please log on to the Community Unit School District 303 website at [www.d303.org](http://www.d303.org).
