ILLINOIS
SCHOOL
REPORT
CARD

GRADES : PK K 1 2 3 4 5

State and federal laws require public school districts to release report cards to the public each year.

Starting in 2009, charter school information is included in district statistics.

STUDENTS

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION

	White	Black	Hispanic	Asian	Native Hawaiian /Pacific Islander	American Indian	Two or More Races	Percent Low-Income	Percent Limited-English-Proficient	Percent IEP	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
School	34.2	4.0	59.0	1.4	0.0	0.0	1.4	63.6	46.0	24.6		0.0	21.2	96.7	354
District	82.0	1.4	9.7	4.8	0.1	0.4	1.6	12.8	3.6	14.9		0.2	5.1	95.4	13,836
State	51.4	18.3	23.0	4.1	0.1	0.3	2.8	48.1	8.8	14.0		3.2	12.8	94.0	2,074,806

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

IEP Students are those students eligible to receive special education services.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

Total Enrollment is based on Home School.

INSTRUCTIONAL SETTING

PARENTAL CONTACT*		STUDENT-TO-STAFF RATIOS			
	Percent	Pupil-Teacher Elementary	Pupil-Teacher Secondary	Pupil-Certified Staff	Pupil-Administrator
School	100.0	--	--	--	--
District	99.2	18.4	18.0	13.5	274.6
State	96.0	18.8	18.9	13.6	211.3

* Parental contact includes parent-teacher conferences, parental visits to school, school visits to home, telephone conversations, and written correspondence.

OTHER FINANCIAL INDICATORS				
	2008 Equalized Assessed Valuation per Pupil	2008 Total School Tax Rate per \$100	2009-10 Instructional Expenditure per Pupil	2009-10 Operating Expenditure per Pupil
District	\$275,343	4.09	\$6,332	\$11,588
State	**	**	\$6,773	\$11,537

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

ACADEMIC PERFORMANCE

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE

ISAT PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

PERCENTAGE OF STUDENTS NOT TESTED IN STATE TESTING PROGRAMS FOR READING

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 85% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 85% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
3. At least 91% attendance rate for non-high schools and at least 82% graduation rate for high schools.

* Includes only students enrolled as of 05/01/2010.

** Safe Harbor Targets of 85% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

Richmond Intermediate School Improvement Plan for 2011-2012

This "School Report Card" has been compiled by the Illinois State Board of Education as a means by which school districts communicate local and statewide information to the public. The No Child Left Behind Act of 2001 (NCLBA) required states to establish annual achievement targets which are used to calculate Adequate Yearly Progress (AYP). The purpose of this "School Report Card" is to communicate the school's and district's performance on the annual targets.

The Richmond Intermediate community of staff, students, and parents are working toward our goals focusing on ALL students learning at high levels, increasing achievement and success for every student, and to move more students from meeting expectations to exceeding expectations.

Findings for the Improvement Plan

Our 2011-12 School Improvement Plan is based partially on the following information that was collected during the 2010-11 school year. We also looked at district and school based assessments which gave us a data about students learning over time and based on our curriculum.

ISAT: In March 2011, students in grades 3, 4 and 5 participated in the Illinois Standards Achievement Test. Students in grades 3, 4 & 5 were administered tests in reading and math. Students in 4th grade were also given tests in science.

Reading

- 78.8 percent of Richmond Intermediate 3rd graders met or exceeded state standards in Reading
- 77.2 percent of Richmond Intermediate 4th graders met or exceeded state standards in Reading
- 79.9 percent of Richmond Intermediate 5th graders met or exceeded state standards in Reading

Math

- 91.9 percent of Richmond Intermediate 3rd graders met or exceeded state standards in Math
- 92.4 percent of Richmond Intermediate 4th graders met or exceeded state standards in Math
- 84.8 percent of Richmond Intermediate 5th graders met or exceeded state standards in Math

Science

- 85.6 percent of Richmond Intermediate 4th graders met or exceeded state standards in Science

Goals for the Current Year

The Richmond Intermediate School Improvement Team analyzed the data to determine strengths and areas for improvement. Based on that work, the Richmond Intermediate School Improvement Plan was developed to focus on three goals:

- Increase the performance of all students on the ISAT Reading reaching the top half of D303 Elementary Schools by May, 2013
- Increase the performance of all students on the ISAT Math by 7%
- The Richmond Intermediate School Community will maintain positive interactions in a supportive and caring environment for students, staff and parents.

Based on trend data and current baseline data, our focus in achieving our reading and math goals will be to strengthen each student's ability to utilize and develop vocabulary, compare and contrast skills, and improve writing in reading, and to improve number sense and measurement in math.

To address each Richmond Intermediate SIP goal, the Richmond Intermediate Staff will:

- Regularly meet in collaborative teams as professional learning communities to systematically analyze student data, establish student learning goals, create action plans and formative assessments to evaluate student progress;
- Use Acuity Benchmarks Assessments to guide instructional planning and practice, targeting areas needing improvement;
- Use the DRA2 (Developmental Reading Assessment), as well as other assessment measures, to obtain an individual comprehensive literacy profile for each student to guide the teacher to plan for small group reading instruction.

Richmond Intermediate School Improvement Plan

Using our core literacy program, the entire Richmond Intermediate Staff is working diligently to combine best practices in literacy instruction and differentiation methods to support all students' learning needs. Throughout the year and on institute days, staff members are actively participating in professional learning activities aligned with school improvement goals and plans. In addition, staff members are continually strengthening their data interpretation skills to assist them in analyzing student data while monitoring student growth and achievement.

To achieve success in the affective domain of the Richmond Intermediate School Improvement Plan, staff members are successfully implementing the Social Emotional Learning Standards during classroom Morning Meetings and as a school we have integrated these skills into the daily routine. A fundamental component of long-standing success at Richmond Intermediate School is the close-knit and caring community that is established and maintained this year and in years after.

Contact Information

Richmond Intermediate School values input and feedback! Please contact Adam.Zbrozek@d303.org or write: Adam Zbrozek, Principal; Richmond Intermediate School; 300 S. 12th Street. St. Charles, IL 60174. Log on to our website at www.d303.org to access other information and links related to Community Unit School District 303.
