St Charles, ILLINOIS

ILLINOIS
SCHOOL
REPORT
CARD

GRADES : 6 7 8

State and federal laws require public school districts to release report cards to the public each year.

Starting in 2009, charter school information is included in district statistics.

STUDENTS

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION

	White	Black	Hispanic	Asian	Native Hawaiian /Pacific Islander	American Indian	Two or More Races	Percent Low-Income	Percent Limited-English-Proficient	Percent IEP	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
School	81.7	2.9	10.9	1.9	0.1	0.2	2.2	19.6	4.3	14.7		1.4	4.3	95.8	897
District	81.5	1.5	9.9	5.0	0.0	0.4	1.7	13.1	3.5	14.0		0.8	6.4	96.1	13,672
State	51.0	18.0	23.6	4.2	0.1	0.3	2.8	49.0	9.4	13.6		8.6	13.1	94.4	2,066,692

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

IEP Students are those students eligible to receive special education services.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

Total Enrollment is based on Home School.

INSTRUCTIONAL SETTING

				Capital Projects	\$0	0.0	5.1
				TOTAL	\$173,472,682		

OTHER FINANCIAL INDICATORS				
	2009 Equalized Assessed Valuation per Pupil	2009 Total School Tax Rate per \$100	2010-11 Instructional Expenditure per Pupil	2010-11 Operating Expenditure per Pupil
District	\$273,678	4.16	\$6,647	\$11,780
State	**	**	\$6,824	\$11,664

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

ACADEMIC PERFORMANCE

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE

ISAT PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 85% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 85% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
3. At least 91% attendance rate for non-high schools and at least 82% graduation rate for high schools.

* Includes only students enrolled as of 05/01/2011.

** Safe Harbor Targets of 85% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

Thompson Middle School Improvement Plan for 2012-2013

The purpose of the “School Report Card” is to communicate school and district performance on annual learning targets. The Thompson Middle School staff is working to provide a high quality education for all students. In order to achieve this goal, collaboration must take place with all stakeholders: students, parents, faculty, staff, and administration.

Thompson exhibited solid overall achievement on 2012 state assessments. 90.6% of our students met or exceeded standards in the tested areas. In the area of ISAT *reading*, 90.9% of our students met or exceeded standards and in the in the area of ISAT *math*, 90.7% met or exceeded standards. See the chart below:

Reading	Students Meeting/Exceeding Standards
6	88 %
7	91 %
8	92 %
Overall	90.9 %

Math	Students Meeting/Exceeding Standards
6	89 %
7	90 %
8	92 %
Overall	90.7 %

The Illinois Standards Achievement Test (ISAT) assesses *reading* and *math* in grades 6, 7, and 8. Students in grade 7 are also assessed in *science*. Thompson’s test results are significantly higher in comparison to students in grades 6-8 throughout the state of Illinois on both the *reading* and *math* assessments. Additionally, 90.3 % of grade 7 students met or exceeded standards in *science*, which was a significantly higher percentage than the state average.

Findings for the Improvement Plan

In the area of *reading*, the IEP (individual education program) and FRL (free and reduced lunch) subgroups showed solid performance. However, our Hispanic sub-group and IEP sub-group failed to make *adequate yearly progress* (AYP) in the area of *math*. All of our sub-groups (IEP, FRL, and Hispanic) met *adequate yearly progress* (AYP) in the area of *reading*.

Goals for the Current Year

Our goal as a school is for all students to show continual academic and affective growth. Through extensive data review and analysis, specific areas of improvement have been identified. Our targeted areas include the specific subgroups not meeting standards and not performing at the pace of our overall student population. Focus will continue to be placed on closing the performance gap between subgroups and overall student population, while continuing to challenge students who are currently meeting or exceeding standards.

Thompson Middle School’s targeted areas for school improvement for the 2012-13 school year include:

- Reading and working with *informational text*
- Writing for *purpose*
- Working with *number sense* and *systems*
- Improving the *student learning environment* (Affective)

Thompson has a School Improvement Plan filed with the State that outlines the specific action plan to improve the learning scores of our Hispanic subgroup. This plan focuses on three areas: *Student Strategies*, *Professional Development*, and *Parent Involvement*. Staff will focus on reading strategies across the curriculum with an emphasis on both academic and content area vocabulary. Our professional development opportunities will focus on collaborative instruction and student engagement. We will also be reaching out to the parents of children in our subgroups in hopes to build relationships to support student learning. Finally, through our Professional Learning Community initiative, teachers will consistently focus on the learning needs of all of our students, specifically targeting our subgroups not meeting AYP.

Contact Information

It is important to have both parent and community interaction as we work to help Thompson meet our goals. If you have questions or comments, please feel free to contact Mr. Steve Morrill, Principal, at (331) 228-3400, or by e-mail at smorrill@d303.org. You are also able to communicate with us through the district web site at www.d303.org.
