ILLINOIS
SCHOOL
REPORT
CARD

GRADES : 6 7 8

State and federal laws require public school districts to release report cards to the public each year.

The 2007/2008 school year is the first time that Limited English Proficient (LEP) students, who would have taken the IMAGE in the past, took either the ISAT or PSAE with accommodations; therefore, any comparisons with previous years' achievement levels for this subgroup and their schools and school districts should be made with appropriate caution.

STUDENTS

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION

	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Multi racial /Ethnic	Low- Income Rate	Limited- English- Proficient Rate	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
School	86.9	0.8	8.3	1.3	0.4	2.3	12.3	3.1		0.3	4.6	95.5	974
District	84.9	1.3	6.8	4.4	0.4	2.1	6.4	2.0		0.3	5.2	94.8	13,727
State	54.0	19.2	19.9	3.9	0.2	2.7	41.1	7.5		2.5	14.9	93.3	2,074,167

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

OTHER FINANCIAL INDICATORS				
	2005 Equalized Assessed Valuation per Pupil	2005 Total School Tax Rate per \$100	2006-07 Instructional Expenditure per Pupil	2006-07 Operating Expenditure per Pupil
District	\$228,012	4.27	\$5,470	\$10,385
State	**	**	\$5,808	\$9,907

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

ACADEMIC PERFORMANCE

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

The 2007/2008 school year is the first time that Limited English Proficient (LEP) students, who would have taken the IMAGE in the past, took either the ISAT or PSAE with accommodations; therefore, any comparisons with previous years' achievement levels for this subgroup and their schools and school districts should be made with appropriate caution.

OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE

OVERALL ILLINOIS ALTERNATE ASSESSMENT (IAA) PERFORMANCE

IAA scores in the Progressing and Attaining performance levels count the same, respectfully, as scores on other state assessments that meet or exceed Standards.

ISAT PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

ISAT Grade 6

ISAT Grade 7

ISAT Grade 8

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.

Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.

Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.

Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 62.5% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 62.5% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
3. For schools not making AYP solely because the IEP group fails to have 62.5% meeting/exceeding standards, 14% may be added to this variable in accordance with the federal 2% flexibility provision.
4. At least 90% attendance rate for non-high schools and at least 75% graduation rate for high schools.

* Includes only students enrolled as of 05/01/2007.

** Safe Harbor Targets of 62.5% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

Thompson Middle School Improvement Plan for 2008-2009

This "School Report Card" has been compiled by the Illinois State Board of Education as a means by which school districts communicate local and statewide information to the public. The No Child Left Behind Act of 2001 (NCLB) requires states to establish annual achievement targets which are used to calculate Adequate Yearly Progress (AYP). The purpose of this "School Report Card" is to communicate the school's and district's performance on the annual targets.

Findings for the Improvement Plan

The Illinois Standards Achievement Test (ISAT) assesses reading and math in grades 6, 7, and 8. Students in grade 7 are also assessed in science. Students in grades 6 and 8 take writing assessments.

The percent of students at Thompson Middle School who met or exceeded standards was 91.4, 88.0, and 91.1 respectively in grades 6, 7, and 8 on the reading assessment. On the math assessment, the percent who met or exceeded standards was 91.5, 91.6, and 92.7 respectively for grades 6, 7, and 8. These passing rates are significantly higher in comparison to students in grades 6-8 throughout the State of Illinois on both the reading and math assessments. 91.6% of grade 7 students met or exceeded standards in science, compared to the State of Illinois average of 79.1%.

High achievement on the 2008 ISAT, at Thompson Middle School, is consistent with our students' performance on individual classroom formative assessments, Explore test data (Grade 8 only), and monthly Tungsten data.

Goals for the Current Year

Our ongoing goal is to provide all students with an education that provides an opportunity for measurable growth, both academically and emotionally. Through extensive data review and analysis, specific and targeted areas of improvement have been identified. Our targeted areas not only reflect *decreasing* the percentage of students who did not meet state standards, but also reflect *increasing* the percentage of students who met and/or exceeded state standards.

The Thompson Middle School Improvement Goals for the 2008-2009 school year include:

- Increase the percentage of all students who met or exceed reading standards on the 2008 ISAT by 1%
- Increase the percentage of all students who met or exceed math standards on the 2008 ISAT by 1%
- Promote positive school culture by increasing students' ability to make effective social decisions

Improving Student Performance

The Thompson Middle School Staff and learning community are committed to improving instructional practices in order to meet the needs of all students. As a result of this commitment and our stated 2008-2009 goals, the following initiatives have been put into action for 2008-2009.

- Staff will continue to incorporate and embed the Professional Learning Community (PLC) Culture within our daily practices.
- Staff will continue to receive professional development and information regarding best practices in reading and math instructional strategies, as well as supportive technological strategies.
- Staff will have continual access to the Illinois Assessment Framework, in reading, math and science to ensure alignment with our existing curriculum initiatives.
- Staff will continually review current student learning data to navigate instructional best practices and procedures.

Contact Information

If you have questions or comments, please feel free to contact Dr. Pamela Kibbons, Principal, at (630) 377-4872, or by e-mail at Pamela.Kibbons@d303.org. Community Unit School District 303 has a web site at www.d303.org. Please log on to our site for additional information about our district and programs.
