**ILLINOIS**  
**SCHOOL**  
**REPORT**  
**CARD**

**GRADES : K 1 2 3 4 5**

State and federal laws require public school districts to release report cards to the public each year.

Starting in 2009, charter school information is included in district statistics.

**STUDENTS**

**RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION**

	White	Black	Hispanic	Asian	Native Hawaiian /Pacific Islander	American Indian	Two or More Races	Percent Low-Income	Percent Limited-English-Proficient	Percent IEP	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
<b>School</b>	92.7	0.2	3.9	1.1	0.0	0.2	1.9	8.4	0.6	17.1		0.0	5.0	96.0	463

**Low-income** students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

**IEP** Students are those students eligible to receive special education services.

**Limited-English-proficient** students are those students eligible for transitional bilingual programs.

**Mobility rate** is based on the number of times students enroll in or leave a school during the school year.

**Chronic truants** are students who are absent from school without valid cause for 18 or more of the last 180 school days.

**Total Enrollment** is based on Home School.

**INSTRUCTIONAL SETTING**

<b>PARENTAL CONTACT*</b>		<b>STUDENT-TO-STAFF RATIOS</b>			
	Percent	Pupil-Teacher Elementary	Pupil-Teacher Secondary	Pupil-Certified Staff	Pupil-Administrator

				Capital Projects	\$0	0.0	5.1
				TOTAL	\$173,472,682		

OTHER FINANCIAL INDICATORS				
	2009 Equalized Assessed Valuation per Pupil	2009 Total School Tax Rate per \$100	2010-11 Instructional Expenditure per Pupil	2010-11 Operating Expenditure per Pupil
District	\$273,678	4.16	\$6,647	\$11,780
State	**	**	\$6,824	\$11,664

\*\* Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

**Equalized assessed valuation** includes all computed property values upon which a district's local tax rate is calculated.

**Total school tax rate** is a district's total tax rate as it appears on local property tax bills.

**Instructional expenditure per pupil** includes the direct costs of teaching pupils or the interaction between teachers and pupils.

**Operating expenditure per pupil** includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

## ACADEMIC PERFORMANCE

### OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

**OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE**

**ISAT PERFORMANCE**

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

## PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

PERCENTAGE OF STUDENTS NOT TESTED IN STATE TESTING PROGRAMS FOR READING															
		Gender			Racial/Ethnic Background							LEP	Migrant	Students with Disabilities	Economically Disadvantaged

### ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

### Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 85% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 85% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. \*\*\*
3. At least 91% attendance rate for non-high schools and at least 82% graduation rate for high schools.

\* Includes only students enrolled as of 05/01/2011.

\*\* Safe Harbor Targets of 85% or above are not printed.

\*\*\* Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

## **The Wasco School Community...Inspiring Passionate Learners...Body, Mind, and Spirit.**

This "School Report Card" has been compiled by the Illinois State Board of Education as a means by which school districts communicate local and statewide information to the public. The No Child Left Behind Act of 2001 (NCLB) requires states to establish local achievement targets which are used to calculate Adequate Yearly Progress (AYP). The purpose of this "School Report Card" is to communicate the school's and district's performance on the annual targets.

### **Findings for the Wasco School Improvement Plan for 2012-2013**

Through Professional Learning Communities and building-wide data processes, staff continuously analyzes leading and trailing indicative data to inform instruction. Based on current and trend data, school-wide and grade-level academic and social/emotional learning (SEL) goals are developed. Student progress monitoring and grade-level data are reviewed on a bi-weekly and monthly basis.

The ISAT scores from the 2011-2012 school year are a "snapshot" of how a particular group of students performed during a given time period. Overall student performance must be based on data collected from a variety of sources including monthly growth assessments and curriculum-based protocols. The results from 2012 ISAT Tests are as follows:

- 95% of **3rd** Graders met or exceeded state standards in Reading
- 98% of **3rd** Graders met or exceeded state standards in Math
- 88% of **4th** Graders met or exceeded state standards in Reading
- 96% of **4th** Graders met or exceeded state standards in Math
- 96% of **5th** Graders met or exceeded state standards in Reading
- 97% of **5th** Graders met or exceeded state standards in Math

Wasco Leadership and grade-level teams and specialists will continue to analyze ISAT data and other indicators to identify positive trends and learning areas that need improvement.

### **Goals for the Current Year**

As a result of reviewing leading indicator data including district and school-based assessment data, curriculum-based assessments, and student, staff and parent surveys, the Wasco Leadership Teams have developed action plans focusing on the areas of literacy, math and social/emotional growth for the 2012-2013 school year.

### **Wasco School Improvement Goal 2012-13:**

*To succeed as 21<sup>st</sup> century learners, Wasco students will show evidence of perseverance by demonstrating growth as independent, flexible and self-directed problem-solvers by the end of the 2012-13 school year.*

- **ALL** Wasco students will demonstrate literacy, math and social/emotional growth as a result of high-quality and differentiated core instruction based on the Common Core Literacy and Math Standards and D303 SEL standards and through intensive interventions based on student need.

### **Professional Staff Goals:**

Strengthen knowledge and use of powerful instructional practices in literacy, math and social and emotional learning to increase student growth in each area.

Imbed SEL standards into core subject areas to provide students meaningful learning in context.

Learn about and implement measures that will increase effective problem-solving skills and strengthen independence and perseverance throughout the Wasco School Community.

Professional learning for all staff is ongoing and aligned with school improvement goals. Throughout the school year, through collaboration and with support of the Instructional Support Coach, the Wasco Staff is committed to continuous improvement to benefit our student's academic and social growth.
