Individual Life-Threatening Allergy Care Plan

General Plan:

- ☐ Epinephrine will be stored in the: ☐ Nurses Office ☐ Class Room ☐ On Person
- ☐ If applicable, the *Self-Carry/Self-Administer Waiver* form has been signed & submitted.
- ☐ Student's symptoms of an allergic reaction include: _____
- ☐ Student can recognize an allergic reaction and knows when and how to seek help.
- ☐ Classroom teachers will be made aware of plan.

Bus Transportation:

- ☐ Drivers do not carry epinephrine or administer epinephrine.
- ☐ All drivers are trained to recognize symptoms of respiratory distress and will pull over and call 911 in the event of an emergency.

Field Trip Procedures:

- ☐ Special needs will be identified prior to any off-campus trip.
- ☐ Prescribed medication & Emergency Action Plan must be reviewed and carried by certified staff member.

Other Needs: _____

Parent/Guardian Plan:

- ☐ I give Health Services staff permission to communicate with the Health Care Provider about this medication.
- ☐ I understand that these medications may be administered by a certified staff member who has reviewed this care plan and the use of emergency medication.
- ☐ I agree that this information will be shared with school staff working with my child and 911 personnel, if needed.
- ☐ I assume responsibility for supplying medication that will not expire during the course of its intended use.
- ☐ I will provide medication in the original prescription container with instructions by above health care provider.
- ☐ If my child is authorized to self-carry, additional medication will be kept in the health office as recommended.
