District's Authorization for Electronic Network Access - I have read the District's Authorization for Electronic Network Access, and understand each student and his or her parent(s)/guardian(s) must sign the Authorization before the student will be granted unsupervised use of the District's electronic network. The full Authorization for Electronic Network Access is printed in the student planner and is also available on the district website at www.d303.org. We are not mailing a separate copy of the Authorization in the packets this year.

The St. Charles East and North High School Student Planners include the Board of Education's policies regarding the high schools expectations for student conduct and attendance. This planner is available for all students during material pickup days and is also posted on the school's website. We understand that we are responsible for receiving and reading the planner/handbook carefully and understanding the expectations it outlines. We assume responsibility for following the rules it outlines.
