

Class of '16 Earns Highest D303 ACT Score

East and North High Schools Also Score Highest Marks

Students who graduated from Community Unit School District 303 in 2016 earned an ACT Composite score of 23.8, which is the highest ever ACT Composite score for District 303 students. The Classes of 2010 and 2014 had earned the previous highest Composite score with 23.6.

The Class of 2016 posted the highest District 303 scores ever in English (23.6), and in Reading (23.8), and also tied the highest mark in Science (23.4).

District 303 scores for the 2016 Senior class are well above the Illinois state averages: 3.1 higher in English; 3.1 higher in Mathematics; 2.8 higher in Reading; 2.8 higher in Science; and 3.0 higher for the Composite score. Each of those margins is the highest spread ever between the District 303 score and the Illinois state average.

The St. Charles North H.S. Class of 2016 earned their school's highest Composite score ever with 24.1, which surpassed the 23.8 mark of the Class of 2011 and the Class of 2014. The North H.S. Class of 2016 also set new high marks for their school in English (23.9), Reading (24.1) and Science (23.7).

The 23.5 Composite score of the Class of 2016 at St. Charles East H.S. matches the highest Composite score ever posted at the school. The Class of 2010 and the Class of 2014 also earned a 23.5 score. The East H.S. Class of 2016 also posted the highest mark ever for the school in Reading (23.6) and tied the high mark in English (23.3) which was posted by the Class of 2012.

Also of note, the 1,182 members of the Class of 2016 who took the ACT is the largest number of District 303 students to have ever taken the test.

A Note on Being Good Neighbors

Observe all posted speed limits and remember the speed limit in residential areas is 25 mph, and 20 mph in school zones. Please don't cut through neighborhoods as part of your route to or from our schools. Also, cell phone use is prohibited in school zones. Most important of all, do not pass a school bus that is stopped with the stop sign extended. This law is for the safety of students and violation of the law can result in license suspension.

Also, when parked in neighborhoods near the bus stops please do not block driveways or mailboxes.
