Halloween Safety Tips

From the City of St. Charles

Halloween is Monday, Oct. 31, and little goblins and ghosts will be going door to door, trick-or-treating. Please review the following safety tips to help make the occasion safe and enjoyable for trick-or-treaters:

- Official trick-or-treating hours are from 3 to 7 p.m.
- Young children should be accompanied by their parents or another responsible adult.
- If there is a chance children will be out after dark, at least one member of each group should carry a flashlight.
- Remind children to watch for traffic.
- Walk only on sidewalks and cross the streets at intersections.
- Fit costumes properly to avoid tripping hazards and ensure the child has clear vision.
- Choose light colored costumes or add reflective tape or reflectors so they are visible.
- Examine all candy before allowing children to eat it.

Drivers should be especially observant and watch for children out walking. All residents are encouraged to turn on outside lights for the safety of the trick-or-treaters. Thanks for helping us make this a safe and fun-filled Halloween!
