D303 Proposes Middle School Building Improvements

Middle School Facility Upgrades to be Complete by Fall 2019

September 20, 2016

St. Charles Community Unit School District 303 District Administration will propose a plan to the Board of Education that will improve the District's middle school facilities by upgrading Thompson and Wredling Middle Schools. If approved by the Board, the plan would modernize and expand Thompson and Wredling Middle Schools. When the improvements are completed in Fall 2019, District Administration estimates the closing of Haines Middle School will result in an operational savings of \$2.4 million per year.

The estimated cost of the middle school improvements is \$50 million and would be paid for through a combination of existing funds and the issue of bonds that do not require a referendum. Details of the District Administration plan will be presented to the public at the following meetings:

Thursday, October 20	Haines Middle School	7 p.m.
Monday, October 24	Wredling Middle School	7 p.m.
Tuesday, October 25	Thompson Middle School	7 p.m.

The three meetings will contain the same content and can be attended by anyone in the community who wishes to attend at their convenience.

The Board of Education will consider the middle school plan at the following meetings:

Thursday, September 29	BOE Business Services Committee	5 p.m.
Tuesday, October 11	BOE Regular Meeting	7 p.m.
Thursday, November 3	BOE Special Meeting	TBA
Monday, November 14	BOE Regular Meeting	7 p.m. at North H.S.

All meetings to be held in the Board Room of the District 303 Administration Building, 201 South 7th St., St. Charles IL 60174 unless otherwise noted.
