District 303 Parent Survey Begins December 5 Annual Survey To Be Available at www.d303.org

November 28, 2016

The 2016 St. Charles Community Unit School District 303 Parent Satisfaction Survey will take place from December 5 through December 16. Parents of all District 303 students are encouraged to participate.

This anonymous survey takes 10-15 minutes to complete and will be available at www.d303.org beginning on Monday, December 7. Parents should complete one survey for each of their children who attend a District 303 school. All versions of the survey are available in English and Spanish.

District 303 conducts this annual survey on a wide range of topics including teachers, curriculum, instruction, principals, administration, buildings and food service. “We encourage all District 303 parents to complete the survey,” said Mr. David Chiszar, District 303 Executive Director of Assessment. “We have had record levels of participation in recent years and the more participants we have, the greater the accuracy of the survey. The feedback we receive from this survey is incredibly valuable and we appreciate the time our community members take to complete the survey.”

The results of the survey are scheduled for presentation to the District 303 Board of Education in January or February of 2017.
