

Wasco School Wins National Wellness Award

Wasco Elementary School is part of an elite list of 544 schools nationwide to be awarded the Let's Move! Active Schools 2016 National Award. The program is part of the Let's Move initiative created by First Lady Michelle Obama. The award celebrates a school's commitment to providing students with at least 60

minutes of physical activity before, during and after school each day. To earn a Let's Move! Active Schools National Award, a school must have met significant benchmarks in five areas: physical education; physical activity before and after school; physical activity during school; staff involvement; and family and community engagement.

This year, honorees will receive a large display banner, certificate and congratulatory letter from the First Lady.
