Adventure Guides Father & Child Program

Adventure Guides was developed by the Y to help strengthen family relationships. The Adventure Guides Experience enables Fathers and their children to have fun while sharing new adventures.

As the father of a young child, you have the tremendous opportunity to get to know your child. Spending quality one-on-one time with your child will help build a strong bond of trust and memories that will last a lifetime. Join the Y and become a member of a community that's committed every day to helping you and your family grow stronger together.

The Adventure Guides will:

- Foster companionship and understanding and set a foundation for positive, lifelong relationships between father and child.
- Build a sense of self-esteem and personal worth.
- Expand awareness of spirit, mind, and body.
- Provide the framework to meet a mutual need of spending enjoyable, constructive, and quality time together.
- Emphasize the vital role that Fathers play in the growth and development of their children.
- Offer an important and unique opportunity to develop and enjoy volunteer leadership skills.

"I began this program a bit skeptical as I didn't know much about it and my wife signed me up. I started the program with my daughter in Kindergarten and from the first campout with her falling asleep in my arms, I knew I would stay in the program for as long as they would have me. I now have my daughter and two sons in the program and have taken on a leadership role for the group. Any dads out there that want the type of bond that lasts a lifetime, you need to join" Brian Ciullo- Dad Guide and Princesses
