April 28, 2023

Dear Parents/Guardians of the Class of 2024,

The State of Illinois recognizes that your child's health is very important to the educational process and has established requirements to preserve and protect the health of all students.

**Please read over and carefully note the following mandated health requirements for 12th graders. Students who fail to submit the required health forms will be excluded from school until health requirements are met.**

## **REQUIRED IMMUNIZATIONS:**

Evidence of immunity against the following diseases must be submitted according to the following schedule:

**1 dose of Meningitis vaccine (MCV4) received on/after the age of 16 prior to entry into Grade 12**

## **HEALTH CARE PLANNING (OPTIONAL)**

If your child has a medical condition that may impact any part of his or her school day, please contact the Certified School Nurse in your child's school so that adjustments or accommodations can be made.

Please click on the appropriate link below to download forms if your child has a life threatening allergy, asthma, seizures or needs to take medication at school.

[Medication at School](#)

[Asthma Action Plan](#)

[Food Allergy Action Plan](#)

[Seizure Action Plan](#)

Please reach out to the school nurse for any other questions or concerns. Please make an appointment for the immunization as soon as possible!

Sincerely,

Megan Mueller, RN, BSN, NCSN, PEL-CSN
