**WEDNESDAY, AUGUST 22, 2018**

We are excited to be welcoming your children back to District 303 on August 22. There are many changes happening for the 2018-2019 school year and we want to make sure that we provide you with the most accurate and timely information needed for your planning. The back to school issue of the E-news will be sent out on August 10 and will include information about transportation, Home Access Center and secure school entrances.

**COMMUNITY UNIT SCHOOL DISTRICT 303  
SCHOOL BOARD VACANCY FILLED**

The Community Unit School District 303 School Board is pleased to announce that Mr. Scott Nowling has been appointed to serve on the District 303 School Board. Mr. Nowling previously served as an elected member of the District 303 School Board from 2007-2011, including as Board President from 2009-2011. In addition, Mr. Nowling served as a co-chair of Summit 303 in 2012. His experience as an elected official is an invaluable resource given the short amount of time he will serve as part of this appointment. School Board President Kathy Hewell said, "I am proud of the work the Board has done during this process. This was an extremely difficult decision for the Board. All six of our final candidates have background and experience that would enhance the work of the District.

After over two hours of deliberation reviewing the attributes and contributions of all of the finalists, Mr. Nowling was selected by unanimous vote in open session. "We are excited to have Mr. Nowling join Community Unit School District 303 School Board, and believe that his prior experience and personal qualities will be a welcome addition", said Mrs. Kathleen Hewell, School Board President. He will serve until the new School Board is seated after the April 2, 2019 election.

**HAC will reopen on the following dates:**

- **Elementary Schools: Monday, August 13 at 8 am**
- **Middle Schools: Monday, August 6 at 8 am**
- **High Schools: Monday, August 20 at 7 pm**

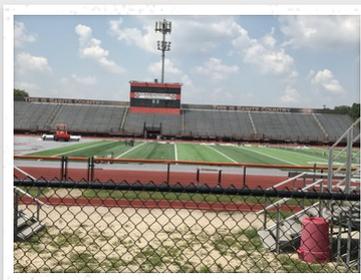

## UPDATES AT EAST HIGH SCHOOL

As District 303 gears up for the start of school, one summer construction project at East High School is complete, and one is nearing completion. As part of the enhanced security upgrades to schools in District 303 that currently do not have a two tiered entry system, an additional wall was built inside East High School's main entrance. After announcing themselves, visitors will enter the school and check in at the window to drop off items or gain access to the school.

The second project at East is the installation of a synthetic turf field, which will be completed in time for the Saints' first home football game on September 7 against Glenbard North. The field will not only be used by athletic teams but also physical education classes and the marching band. The surface provides for accessibility well into the fall.

## BUS DRIVERS NEEDED

Community Unit School District 303 is currently recruiting bus drivers for the 2018-2019 school year.

Starting pay for the part-time positions that are **4-5 hours per day is \$19.00 per hour**. Drivers are responsible for a variety of routes including student pick-up in the mornings and drop off in the afternoons. Special routes for field trips, extra-curricular activities and the Fox Valley Career Center are also scheduled through District 303 transportation.

The District will train qualified candidates who want to obtain their Commercial Driver's License. Interested individuals may apply online at <http://district.d303.org/employment>, visit the Transportation Office at 901 S. Peck Rd., or call the Transportation Office at 331.228.5180.
