2/20/19 from 6:30-8:00 p.m. Wredling Middle School Cafeteria

Technology is a part of all our lives. From phones to laptops to video games, we are more “connected” or “plugged in” than ever. How do we help our children (and ourselves) find balance when it comes to the use of technology? During this Parent University we will share tools and strategies to help create balance and set boundaries. The night will feature a panel as well as opportunities for interactive discussion. Come “hang up, and hang out”! You may register by visiting the District 303 Parent University web page. <https://district.d303.org/parent-university>
