**Committee Reports**

**Grounds Beautification, Crissy Webbe and Valerie Kelly:** Partnered with Heinz Brother's and created a budget per pot, per season. We decided to maintain the two pots at the entrance and created a Sign-Up Genius to adopt the two pots in the back of the school. We had two great volunteers sign up to design and fill the pots in the back given a Fall theme of mums, cabbage, pumpkins and pansies. This went over so well and we appreciated families stepping up to help out. The pots look beautiful! We need to follow up with Heinz Brothers to secure our budget for the winter. We will ask the current families if they would like to continue to do their pots or ask for new volunteers.

**Post Prom, Katie Robak:** Storage unit is paid through the end of the year. Yvette Stahl has volunteered to co chair the Post Prom Committee.

**Student Activities, Mary Gerkin:** Welcome Back Sign was well received. Coming up with creative ideas that adhere to guidance given for end of year activities.
