From the Principal.....Tony White

One constant in life is change. We are always becoming something. This year, Norton Creek became something new. Something bigger. Something better. Each of your children - whether this was his or her first year at Norton Creek, their sixth, or any number in between has changed Norton Creek forever. Their smiles, joy, creativity, wonder, senses of humor, personalities, and love have created something that can never exist without them. That is an incredible feeling and knowing, teaching, and caring for your awesome children this year has been our truest pleasure.

The journey we all embarked on together in year one of our transition presented us with an incredible opportunity - the chance to create something new and exciting together. Our success would be found almost entirely in our attitudes and beliefs, and no one at Norton Creek disappointed. Norton Creek is certainly better for each of your children, each of you, each of our staff all coming together to build this amazing NEW Norton Creek and to be part of something larger than ourselves together.

I am very excited for what we will create together next year and beyond for our students, school, and community and also very excited to wish you all a wonderful summer. Enjoy your loved ones, the sunshine, and whatever adventures come your way.

To our fifth grade friends moving on to Wredling and Thompson Middle Schools, know that you are ready to fly out of our nest and start to explore the world. We will miss you, but you will never be a stranger here. So, as one of my friends in the RISE program says, "Don't be a stranger!" We want to hear all about what you are up to in middle school and beyond.

Have a super summer, Norton Creek! See you in August!

HAPPY SUMMER

Odds and ends.....

NORTON CREEK

PARENT TEACHER ORGANIZATION

PTO Appreciation!

THANK YOU, PRESIDENT SOULE! (Parents of Norton Creek)

We'd like to extend a huge thank you to Rebecca Soule for her time on the board and especially for this past year as President of the PTO. It was a huge job to fill with the school growing and changing so much. You have put in a ton of time, effort and sweat that at times might have felt went unnoticed, but we were extremely grateful and lucky to have you in this role. Thanks for all you've done with your time at NC, you will be missed!

FROM THE PTO PRESIDENT

A personal thank you to so many as I wrap up my time at Norton Creek. Thanks to all of the teachers and staff who have had such an important, positive impact on my children. They learned so many important, foundational lessons here. Thank you to all of the volunteers I have worked with over the years, it has been a pleasure getting to know so many other parents. I have met some truly irreplaceable friends through my children. Lastly, thank you to the outstanding PTO Board members I have had the pleasure of "serving" with: Angie Miki, Jaime Hayes, Amanda Giordano, and Kelly Rotella.
