District 303 High Schools Ranked Among the Best in the State

May 9, 2018 – St. Charles North and St. Charles East High Schools appear in the Top 25 of the 2018 U.S. News Rankings of public high schools in Illinois. This is the seventh consecutive year St. Charles North has ranked in the Top 50 in Illinois according to the U.S. News Best High School Rankings.

The 2018 U.S. News Rankings of America's Best High Schools include data on nearly 22,000 public high schools from all 50 states and from the District of Columbia. Among all Illinois public high schools, St. Charles North ranks 18th and St. Charles East ranks 23rd in the 2018 rankings.

District 303 schools are the only high schools located in Kane County to appear in the Top 25 among Illinois public high schools. St. Charles Community Unit School District 303 consists of students who reside in Kane County and a portion of DuPage County.

Superintendent of Schools Jason Pearson said, "We appreciate any recognition that highlights our staff and their commitment to continuous improvement and the academic achievements of our students. The communities served by District 303 are great places to raise a family, and our schools provide outstanding opportunities for students that prepare them for post-secondary college and career opportunities."
