

App Library and Additional Apps and Resources

You can add additional district pre-approved apps and resources from the **App Library** by clicking on the + button on your Launchpad dashboard.

Different apps may be available to you depending on the school, grade, or if you're a student or staff member.

App availability can also be determined by class rostering, meaning the apps and resources we roster through ClassLink are assigned to those specific users. These apps include:

- Bedford Freeman and Worth
- Benchmark Universe
- BrainPOP
- Canva
- Defined Learning
- DeltaMath
- Destiny
- Discovery Education
- e-hallpass
- Easybridge
- ExploreLearning
- FastBridge
