PARKING PERMIT APPLICATIONS:

Any Junior or Senior student interested in parking at school for the 2019-20 school year will need to turn in a completed Parking Permit application, which can be found in the Registration Materials, for the 2019-2020 school year. The application needs to be turned in and ALL registration/course/parking fees need to be paid by Wednesday, July 17, 2019 in order to be considered for a parking permit.

Seniors (**Class of 2020**) interested in every day parking on campus during 2019-20 MUST turn in their parking permit application (pink sheet) and have all their registration/course/parking fees paid by the deadline of Wednesday, July 17, 2019. If there are more applications received than available spaces, a lottery will be used to determine who has the opportunity to park every day. Seniors who will be issued an Everyday Hang Tag will receive an e-mail prior to Materials Pick-up days. Seniors who do not get an Everyday Hang Tag may have the option to purchase two hang tags for the Driver's Ed Range (Odd/Even) after the start of school for the price of two Range tags. This Odd/Even possibility will only be offered based on availability.

Juniors (**Class of 2021**) will have the opportunity to purchase an Odd or Even Hang Tag for the Driver's Ed Range. Juniors need to turn in their parking permit application (pink sheet) and pay all their registration/course/parking fees by the deadline of Wednesday, July 17, 2019 prior to receiving their hang tag at Materials Pick-up. If more applications are received than spaces available, there will be a lottery to determine who will receive a parking permit.

If more applications are received than spaces available, there will be a lottery to determine who will receive a parking permit. There will be NO special consideration for students involved in clubs, extra-curricular activities or other non-school related activities (jobs, babysitting, sports, etc.). Every year there are more students that apply for parking permits than available parking spaces. A lottery is very likely.

No freshman or sophomores will be issued parking permits. In addition to the risk of being towed, freshman and sophomores that park illegally on campus put their permit chances for Junior year in jeopardy.

Submitting an application and paying all fees by Wednesday, July 17, 2019 does not guarantee a parking permit. Every year there are more students that apply for parking permits than available parking spaces.

Pro-tip #1 from the East Yearbook Staff: If you are only interested in a Yearbook photo, you can skip the sitting fee and get the photo done with a single pose. Please get photographed during the summer!

Pro-tip #2 from the East Yearbook Staff: Your Senior student can wear semi-formal clothing for their ID photo (at Materials Pick-up) and the resulting photo will be almost identical to the formal photos.

Missed dates: If a Senior is not photographed by Root Studios, we will use the Senior ID photo taken at registration. Many Seniors are portrayed this way each year, and the end result is consistent. Please get photographed during the summer! After the November 1, 2019 deadline – ID photos are the only option for making sure Seniors are pictured in the yearbook. We do not use any photos taken outside of Root Studios/ID photos.
