What to do if you think you may have the Coronavirus

<https://www.cdc.gov/coronavirus/2019-ncov/if-you-are-sick/steps-when-sick.html>

<https://www.hopkinsmedicine.org/health/conditions-and-diseases/coronavirus/coronavirus-what-if-i-feel-sick>

If you think that you may have COVID-19 please contact your primary care provider and your local health department. If you do not have a primary care provider please contact your nearest emergency room. Do not show up to any healthcare facility without calling first. If you must go out please use a mask if possible, and always preform good respiratory etiquette and hand hygiene. Be sure to follow the exact advice that your healthcare providers give you.
