PARENT UNIVERSITY

SAFETY & SECURITY IN D303

Wednesday, September 26, 6:30-8:30 p.m., Thompson Middle School 6th Grade Center Cafeteria

An emergency or disaster can strike a school community at any time and can take the form of natural disasters such as floods, tornadoes, earthquakes, or fires, as well as man-made accidents or criminal activity. When an event occurs during the school day, it is the responsibility of D303 to care for and protect our students.

As part of this Parent University program, presenters will discuss:

- Secure Building Entrances
- Visitor Management
- Communication
- Weather Alerts
- Drills and Evacuation Plans
- Lesson Plans

In addition, we will show an interview conducted by the IL Principals Association with Dr. Seth Chapman on his research related to school shootings.

On a regular basis, the school district works in partnership with local public safety and law enforcement officials on training and appropriate responses to emergency events. Click [here](#) to register.

SHOWING & DISCUSSION OF THE FILM *ANGST*

Wednesday, October 10, 6:30-8:30 p.m., St. Charles North HS Auditorium

The purpose of the film *Angst* is to raise awareness and have conversations about anxiety. It features candid interviews with kids who have struggled with anxiety, as well as discussions with mental health professionals.

Please mark your calendars, and plan to attend this informative free program. Additional information and registration link coming soon.
