#### **Be Respectful, Be Responsible, Be a Problem Solver**

Next week our students and staff will take the first step in rolling out a new positive incentive plan centering around our three core behaviors: Be Respectful, Be Responsible, and Be a Problem Solver. On Tuesday, February 19<sup>th</sup>, all students will be introduced to a behavior matrix that defines what these three behaviors look like in our hallways, as well as during arrival and dismissal procedures. When staff members identify students, groups of students, or entire classrooms exhibiting these positive behaviors in the hallway, or during arrival/dismissal procedures, the staff member will hand out a “Mustang Horseshoe”. Students who collect a horseshoe for their expected behaviors will turn it in to their classroom teacher. Once our students have collected our initial goal (1,000 horseshoes), we will have a school-wide celebration. If a child receives a Mustang Horseshoe during the dismissal process, students are encouraged to bring it back to school the next day and submit to their classroom 10-Frame.

#### **One Book, One School**

Tonight will be our final event for our One Book, One School family reading initiative. This PTO event begins at 6:00 this evening. Attendees are encouraged to bring a picnic dinner for their family (This is not a potluck event, so families are responsible for their own food). Prior to eating, I will read the final two chapters of *The Miraculous Journey of Edward Tulane*. In addition, I will also conduct a drawing in which students can have me come to their home for a “Principal Read Aloud”. These visits occur after school hours, and winners are encouraged to invite their friends, family, etc. If you are interested, be sure to come to the One Book, One School family picnic, which begins at 6:00 tonight. **Mades-Johnston Center, the building directly adjacent to Munhall, is also hosting a family event this evening, so please do not park in their lot. Parking may be more crowded than normal this evening, so I ask you to be a good neighbor and only park in the Munhall lot or within the appropriate street parking areas.**

#### **Chess Club**

Munhall is starting a Chess Club, which will begin meeting next Friday, February 22<sup>nd</sup> in the LRC. Information regarding the Chess Club has gone out through the PTO website. The Chess Club will be run by Munhall parents, and Munhall staff will be on hand as well. For more information, please visit the PTO website.

#### **Random Acts of Kindness Week**

This week our school has recognized Random Acts of Kindness week, where simple acts to uplift each other’s day are emphasized and encouraged. I have been extremely grateful, as numerous students have left kind notes in my mailbox throughout the week. I have also heard of many other acts that our parents, staff, and students have done for our greater Munhall community, and it has led to an awesome week!

#### **Presidents’ Day**

We will have no school on Monday in observance of Presidents’ Day. Enjoy the three-day weekend!

Jarrold Buxton, Principal

## *D303 Academically Talented Program*

Dear Parents of Students in 3rd-5th grade:

In the winter of every school year, we start the process of determining the placement of students in our Academically Talented Math (AT) Program, Academically Talented Literacy (AT) Program, and Middle School Infinity Program for the following school year. The timeline for this school year is as follows:

- Parents will be notified the week of February 25 if their child qualifies for placement testing based on Performance Series and CogAT assessment data
- For students who qualify for placement testing, the tests will be administered the week of March 11
- Families will be notified of AT and Infinity placement decisions the week after spring break
- Families must submit appeals forms no later than April 19
- Appeals prompts and interviews will occur April 22-May 3
- Parents will receive appeals decisions the week of May 10

If you have any questions about the placement timeline or programming, please contact Dr. Cindy Ruesch, Director of Staff, Family and Student Services at [cindy.ruesch@d303.org](mailto:cindy.ruesch@d303.org) or 331-228-6738.

## *Middle School Transfer Requests*

Families who wish to submit Middle School Transfer requests may do so beginning February 4. The request form will be available on the District 303 website starting February 4 through February 28. Families must complete a separate form for each student they want transferred. Requests are granted based on space available so siblings are not guaranteed placement.

Once the request is approved, a student may remain at that middle school throughout his or her middle school career, as long as the student resides in District 303.

Families of students granted permission to attend a school outside of their assigned attendance are responsible for their own transportation.

Students **will** return to their assigned attendance area high school regardless of the middle school attended.

## *From the Secretary*

- ❖ THANK YOU to the PTO for the delicious and inviting Teacher Appreciation Luncheon! I would like to personally thank Thea Jankowski and Liz Foulkes for all their hard work to transform the Teacher's Lounge into something wonderful, and for preparing all the heart-shaped food for the staff.
