Kick-a-thon 2018 25 yrs

The 25th anniversary of Kick-A-Thon was a huge success last week! Thank you for joining the St. Charles East and North dance teams to “kick” away cancer.

Proceeds from the event will be donated to the Fox Valley Chapter of the American Cancer Society, Living Well Cancer Resource Center and Fox Valley Food for Health.

Richmond Students Conference with News Anchor

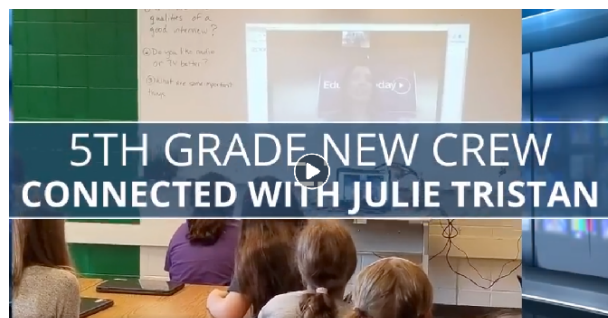

Amy Dixon, Richmond Intermediate Science and Technology teacher, connected with [Center for Interactive Learning and Collaboration](#) (CILC) to provide her 5th Grade News Network a memorable opportunity.

During SciTech class, students were able to video conference with news anchor Julie Tristan, of KLOU, in St. Louis. The video conference was offered by [Educate.Today](#). Educate.Today links students and the curriculum they are studying to those who are applying that curriculum in the real world.

Students were thrilled to speak one on one with a news anchor. Ms. Tristan offered tips for good stories, camera angles, and acting natural in front of the

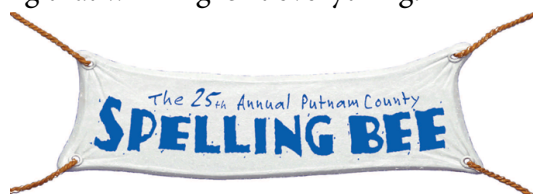

camera. "It was a great experience," said Mrs. Dixon. Each 5th grade class at Richmond will video conference with Ms. Tristan at the start of their Richmond News Network unit.

St. Charles East Fall Play

An eclectic group vies for the spelling championship of a lifetime. These awkward sixth-graders, each with their own quirky personalities, fight to stay in the contest. Shy Olive brings her best friend (the dictionary); hyper-allergic William Bargee uses a "magic foot" for help, former champ Chip struggles with his burgeoning puberty, distractible Leaf lacks confidence, overachiever Marcy is disappointed by success, and Logainne Schwartzandgrubeinerre wants to impress her dads. These tweens disclose hilarious and touching stories from their home lives, ultimately learning that winning isn't everything.

St. Charles North Fall Play

A collection of nine slightly twisted and completely hilarious short plays. Set on a Friday night in an alternate suburban reality, this 80-minute romp explores the pain and the joy that comes with being in love. Full of imperfect lovers and dreamers, LOVE/SICK is an unromantic comedy for the romantic in everyone.

INCubatoredu Open Houses

Students in both D303 high schools who are enrolled in the INCubatoredu program welcomed parents, mentors, community members, and staff members to open houses last week. Fifty visitors rotated through the different teams' stations to hear ideas about how students are solving problems. Parents and community members were excited to see the projects students are developing such as building equipment that will clean sand off your clothes and belongings after a visit to the beach, or providing a "we'll come to you" car wash service.

This was also a great time to showcase the new bright spaces that are designed for creative and innovative learning. The comfortable seating can be arranged to accommodate small group work or large class instruction. A separate room at North High School is a large collaboration space where students can brainstorm ideas without disturbing their classmates.

The District is pleased that 76 unique volunteers have generously donated their time to mentor students, teach classes and assist with business plans. Kim

Abatangelo volunteers in the program and is excited to see it brought to District 303, "I'm still so excited this district is offering this opportunity to students in our community. I've seen the positive it does in other communities (Barrington 220), and personally believe at the very least, it's a way to marry the real world for students who immerse themselves in academia and don't have opportunity for very much practical experience."

Showing & Discussion of the film *Angst*

Wednesday, 10/10 from 6:30-8:30 p.m. in the St. Charles North Auditorium

The purpose of the film *Angst* is to raise awareness and have conversations about anxiety. It features candid interviews with kids who have struggled with anxiety, as well as discussions with mental health professionals. At the end of the film there will be a 30 minute panel discussion led by the D303 Counseling Team.

As part of our agreement with the production company, we are able to show the film in both middle

schools and both high schools between the dates of 10/10-10/16. This will provide parents and students an opportunity to have conversations at home about what they saw.

“LAS 12 CUALIDADES PARA ALCANZAR EL ÉXITO ESCOLAR”

miercoles, el 17 de octubre a las 6:00-8:00 p.m. en la Escuela Davis

El éxito escolar es el resultado de un conjunto de acciones concretas por parte de los padres e hijos, que incluyen reglas claras y firmes, no-negociables que deben establecerse como una prioridad. El estudio y las actividades de la escuela deben ser para los chicos su mayor responsabilidad, por encima de los videojuegos

y otras diversiones. Si esto se da, con seguridad el éxito escolar se obtendrá. Dr. Ferney Ramirez compartirá estrategias para que los padres y sus alumnos logren el éxito escolar.
