5th Grade Clap Out

Friday, June 7th our staff, students, and 5th grade parents will "clap out" our 5th grade students as they exit the building one final time. The clap out will officially start at 2:45 pm. All students in grades K to 4th will line the hallways and clap as the 5th graders take their final tour of the school. The route will begin at the end of the 3rd grade hallway, proceeding past the LRC and down the ramps. Students will then walk around the loop with the 1st and 2nd grade classrooms before heading back toward the main entrance. The route will conclude by having the students exit through the main entrance. 5th grade students will then walk to the grassy area along 13th Avenue to be picked up by parents. 5th grade parents will line both sides of the hallway and gallery area between Mrs. Havlik and Ms. Rongé's classrooms and the LRC. If parents are not able to attend the clap out, students will follow their typical dismissal routine. Parents will be allowed to enter the building at 2:30pm. We look forward to sending our 5th grade students off in style!
