Clean Water Project

This past Sunday, Nancy O'Hara, Special Education resource teacher, ran the Chicago Marathon as part of Team World Vision. Nancy ran in support of the Clean Water Project, which is a non-profit organization that provides meaningful and reliable water projects in sub-Saharan Africa. Miss O'Hara involved the Munhall Student Council last spring in fundraising and awareness raising efforts regarding the project. I am very proud to say that over the past six months, our Munhall community raised enough funds to provide clean water for life for 96 children. I want to thank Miss O'Hara, our student council, and any student/family that supported this worthy cause.
