Returning Student Online Registration

Returning Student Registration for 2021-2022 will open at 9:00 a.m. on April 26. All acknowledgments and authorizations are contained in a single electronic, online registration form that will be easily accessible from most electronic devices (computer, Chromebook, and Smartphones). Please refer to the parent guide located on the web page for detailed instructions on how to complete the form.

Beginning April 26, parents can sign into the **Returning Student Online Registration** form located in the **Parents/Community menu** of the District website. The electronic registration forms for elementary and middle school students should be completed by June 1. High School online registration forms should be completed no later than July 1.

Registration fees for all grades will be available in Pushcoin beginning July 1, and will be billed to reflect the early bird discount if paid by July 31. Pushcoin will email invoices for accounts with balances due on the 15th of each month until paid in full.

For families who may qualify for a fee waiver, and are not directly certified by the state, a 2021-2022 district fee waiver application will be available on the District 303 website in July, accessible from the Parent/Community menu.

Students entering sixth and ninth grades require proof of a physical exam prior to the first day of school. Please visit the [District 303 health services web page](#) for more information.

Para las familias que pueden calificar para una exención de tasas, y no están directamente certificadas por el estado, estará disponible una aplicación para la exención de tasas del Distrito para el 2021-2022 en el sitio web del Distrito 303 en Julio.
