2023 CAREER AND TECHNICAL EDUCATION SCHOLARSHIP OPPORTUNITIES **ARE HERE !**

Each year Rotary International District 6440 in Northeast Illinois offers Career and Technical Education (CTE) / Vocational Scholarships to qualified applicants.

The basis of our Rotary Scholarships is to recognize the outstanding achievements of people residing within the limits of Rotary District 6440 who are preparing to further themselves in a chosen vocation by attending a community college, technical training institution, or career and technical education training program that provides educational opportunities.

The top two successful applicants will receive 1 of 2 **St Charles Breakfast Rotary Club awards (\$1,000 or \$500)** and submission to **Rotary District 6440 for a \$1,500 Scholarship** award that can be applied to tuition, books, tools, and supplies that run concurrent with the specific CTE program being pursued.

Applications are now available through the **St Charles East High School Student Life Office (Mrs Dandre's Office)!**

This is a great opportunity to help fund your goals and dreams!

WHAT IS RYLA?

Rotary Youth Leadership Awards - or RYLA - is a not-for-profit training program for leaders and potential leaders (Freshman-Senior). As a RYLA participant, you will attend an all-expense-paid, three day camp. You will be joined by talented young people like yourself from other communities in your area.

The sponsoring Rotary clubs involved in organizing the event determine the specifics of each RYLA program. All programs emphasize leadership skills, personal development, and citizenship. RYLA goes to great lengths to make sure the three day weekend is fun and recreational as well as educational for all involved.

FEATURED SPEAKERS

RICK METZGER: His instant rapport with audience comes easily from the social and communications skills developed as a retired professional athlete and high school athletic coach. Rick's personal achievements as an eight time National NASA Bench Press Champion, an American

record holder in drug-free power lifting, and a four time gold medalist at the World Cup of Power Lifting, have all equipped Rick to deliver a fast paced, high energy program that enlightens, entertains and empowers all who hear him.

TOM CARROLL: In 2017, Tom left the business world as a C-Level Executive, at a 12-billion-dollar company with 68,000 employees, to focus his time on developing future leaders. He is a sought-after motivational speaker and coach on a variety of leadership topics — change management, service, team development, innovation, strategic planning, and mindfulness.

Tom holds a Bachelor's Degree in Psychology and a Master's Degree in Clinical Psychology from Illinois State University. He is a 200-hour certified yoga instructor and meditation teacher. Previous to his business experiences at RR Donnelley, he worked clinically at a social service agency serving children and families, and at a hospital focused on people with neuropsychological issues.

He has served on many not-for-profit Boards including North Central College, the Chicago Public Library Foundation, the Naperville Area Humane Society, Naperville Community Television, and the Chicago YMCA. Tom lives in Bloomington, Illinois where he teaches Leadership Development at Illinois State, Yoga and Meditation at Advocate Integrated Wellness Center and consults on a variety of leadership topics with start-ups and other organizations.

JOSHUA'S HEART: Joshua's Heart Foundation was founded in 2005 in Miami, Florida and is dedicated to the fight against global hunger and poverty. JHF has two primary goals: to "Stomp out World Hunger" and to "Break the Cycle of Poverty". JHF is a 501(c) 3 non-for-profit organization, which empowers, needy people to improve their quality of life, by providing items of basic necessities, such as groceries, and by effectively engaging and educating communities at home and abroad about committing to fight hunger and poverty on global basis. JHF is a youth run organization dedicated to stamping out hunger. To date JHF has distributed over 1.2 million pounds of food to families in need in South Florida, Jamaica, Africa and India. A Jr. Advisory Board of 80 youth ages 9-18, and 8,000 youth volunteers called elves.

CHRIS NORTON: Chris was a college football player. He saw the opening for a tackle, but mistimed his jump by a split second. Instead of being in front of the ball, he collided with the ball carrier's legs. And in an instant, he lost all feeling and movement from his neck down. He was told he would never be able to move again. He could have let it define him. Perseverance isn't about the physical act of standing: it's about attitude, and the ability to shape yourself in the face of adversity. He travels across the country to inspire people from all walks of life, teaching them how to unlock the POWER TO STAND.

Additional speakers with inspiring

stories include:

- JOEY FEINSTEIN FROM THE CLIMATE CYCLE
- ACTRESS MS. ERIN CAHILL
- POLAR EXPLORER JOHN HUSTON
- AUTHOR WHITEY KAPSAUS

NOTICE FROM DISTRICT 303

Inclement Weather Procedures

When safety concerns emerge due to hazardous amounts of snow, ice, and extreme cold, the District 303 Superintendent may choose to implement a full-day school closure, delayed start or early dismissal.

When Will a Decision Be Made?

In most cases, decisions are made on the morning of the inclement weather event. To the extent possible based on forecasted or actual weather conditions, an announcement will be made at 5 a.m. or before to either 1) close all schools or select schools, and cancel activities, or 2) Delay the start of onsite operations. Please note, if District 303 does not send a notification about school closings or modified operations, we are operating as normal.

How Will I be Notified?

District 303 will send notifications to families through the ParentLink system by text message, phone call and email based. Parents/guardians can view and edit their contact settings through the [Home Access Center](#). To receive timely emergency communications, we strongly encourage families to enable text notifications. For most people, this is the fastest way to receive and view important messages.

Learn more on our [inclement weather webpage](#).

AVISO DEL
DISTRITO 303

Los Procedimientos en caso de Inclemencias Meteorológicas

Cuando surgen preocupaciones de seguridad debido a cantidades peligrosas de nieve, hielo y frío extremo, el Superintendente del Distrito 303 puede elegir implementar un cierre de las escuelas de día completo, un comienzo retrasado o una salida temprana.

¿Cuándo tomará una decisión el Distrito 303?

En la mayoría de los casos, se toman las decisiones en la mañana del evento con inclemencias del tiempo. En la medida de lo que sea posible según las condiciones meteorológicas previstas o actuales, el Distrito 303 hará un anuncio a las 5 de la mañana o antes para 1) Cerrar todas las escuelas o algunas escuelas y cancelar actividades; o 2) Retrasar el inicio de las operaciones en el sitio. Tenga en cuenta que, si el Distrito 303 no envía una notificación sobre el cierre de las escuelas o la modificación de las operaciones, estamos operando con normalidad.

¿Cómo se me notificará?

El Distrito 303 enviará notificaciones a las familias a través del sistema ParentLink por medio de mensajes de texto, llamadas telefónicas y correo electrónico. Los padres/guardianes pueden ver y editar sus configuraciones mediante el [Centro de Acceso para el Hogar \(HAC\)](#). Para recibir las comunicaciones de emergencia a su debido tiempo, recomendamos encarecidamente a las familias que activen las notificaciones de texto. Para la mayoría de las personas, esta es la forma más rápida de recibir y ver mensajes importantes.

Puede obtener más información en nuestra [página web sobre las inclemencias del tiempo](#).
