Reliable proof of a child's identity and age (birth certificate, passport, visa, etc.) will be required at the time of registration as will verification of the identity of the parent or guardian.

In addition, families must provide two (2) documents as proof of residency when enrolling children. New student residency and enrollment information, including links to required notices and Kindergarten enrollment forms, can be found on the District 303 website --> [Kindergarten Registration Documents](#).

Middle School Transfer Requests

Families who wish to submit Middle School Transfer requests may do so beginning Monday, February 4, 2019. The request form will be available on the District 303 website through Thursday, February 28, 2019. Families must complete a separate form for each student they want transferred. Requests are granted based on space available so siblings are not guaranteed placement.

Once the request is approved, a student may remain at that middle school throughout his or her middle school career, as long as the student resides in District 303.

Families of students granted permission to attend a school outside of their assigned attendance boundary are responsible for their own transportation.

Students will return to their assigned attendance area high school regardless of the middle school attended.
