

St. Charles Automotive Program

“Innovation, consumer demands, and a rapidly-growing population have transformed the automotive service industry. Expertise in technology, problem-solving, and strategic thinking are hallmarks of this profession.”-ASE Education Foundation

St. Charles East and St. Charles North Automotive Programs are nationally accredited through the National Institute for Automotive Service Excellence (formerly NATEF). High school students who participate in the automotive pathway have the opportunity to earn their industry credential in Maintenance and Light Repair, Suspension and Steering, Brakes, Engine Performance, Manual Drive Train and Axles, Engine Repair, Automotive Service Technician, Electrical Systems, among others. Within the last academic year, there have been over 70 credentials earned by D303 students.
